Allies, Reds in Savage Bayonet Clash

What Have We Gained In Korea?

Losses Have Been Staggering But Reds Are Stymied

By Hal Boyle

NEW YORK—(AP)—What is the price of Korea?

Has the battle there been worthwhile to the United States a year later?

What have we gained? World respect—and time to arm ourselves. And today we have a mighty field army.

What have we lost? Well, more than 70,000 Americans have been hurt or killed or are missing. Along the way some of those 70,000 casualties insisted on going right back up into the fighting, and only in the last few weeks have been rotated home.

* * * *

The statistics of this engagement that began as a United Nations "police action" are on the staggering side.

We claim we killed or wounded more than a million of the enemy. They don't say. But the ambassador of our South Korean ally says the war so far has cost the lives of 3,000,000 of his people and made 10,000,000 homeless. All of Korea, north and south, has about 30,000,000 people.

* * * *

From a strictly humanitarian standpoint it therefore appears that we have given more death, misery and confusion to the South Koreans than we have liberty. And we have. That is only fair to say.

But we have kept the pattern of freedom pretty clear in the United States and elsewhere. And under the United Nations flag a solid right block has been thrown into Soviet Russia's attempt to take Asia by force.

* * * *

History may yet say that his attempt to grab all of Korea by pure muscle was one of Joe Stalin's greatest mistakes. It is there he abandoned promises for attempted performance.

* * * *

In a dozen months a magnificent U.S.-U.N. army has been built up able to stay in Korea as long as it wants to, no matter how many more troops the Chinese may want to waste against it. The story of the Korean campaign has been this: The more they throw against us the less we have to retreat. As the enemy has massed, we have muscled.

* * * *

Today we hold a new "Chinese wall" of our own, a steel shell curtain against the Iron Curtain. Russia's bid by force has been blocked by force.

Chicago Aid Bills Signed By Governor

SPRINGFIELD, (AP) — Gov. Stevenson has signed into law five bills granting $4,000,000 a year financial aid to Chicago.

The bills, signed yesterday, provide for the state to assume expenses of indigent persons in Cook county hospital—the same as it has done for downstate counties.

Under a complicated plan, the city of Chicago will be able to obtain $4,000,000 more a year without increasing its property taxes.

Other bills signed into law by Stevenson would:

Create a legislative commission to study highway conditions and present a program to the 1953 general assembly.

Set up another commission to study and draft state constitutional amendments for overhauling the Illinois court system. The report will be made in 1953.

Increase salaries of county court judges, depending on population of county.

Authorize the Chicago park district to operate underground parking lots.

Increase from $15,000 to $20,000 the amount that may be recovered by death from a wrongful act.

Weather

Partly cloudy today and tonight. Sunday scattered thundershowers. Not much change in temperatures. High today 70-75. Low tonight near 60.

	Temperature	Wind
Noon	68	NE
4 p.m.	65	E
8 p.m.	62	E
Midnight	60	Calm
4 a.m.	56	Calm

Sunrise 5:31 a.m. (CDT), sunset 8:32 p.m. (CDT).

Final Action Near on Gas Tax, Licenses

Rep. Willett, Dixon, Named On Committee

Will Hash Out Details in Talks Set for Monday

SPRINGFIELD— (AP) — The time for final decision on a road program was closing in today for Illinois lawmakers.

The two biggest issues to be decided before the legislature ends its regular six months session next Saturday were:

1. Whether to raise truck license fees the $28,000,000 a year recommended by the senate, the 19,000,000 favored by the house, or some amount between.

2. Adoption of a two cent gasoline tax increase to a nickel a gallon, or a one cent boost.

A conference committee of five house and five senate members will sit down at 9:30 a.m. (CDT) Monday to start thrashing out differences on the truck fee question.

Named to the conference group yesterday were these senators—T. Mac Downing (R-Macomb), Charles F. Carpentier (R-East Moline), Ray Paddock (R-Round Lake), William J. Connors (D-Chicago) and John Fribley (D-Pana).

Willett Named

Appointed from the house were Reps. Reed F. Cutler (R-Lewistown), Charles K. Willett (R-Dixon), Ora Dillavou (R-Champaign), Richard Stengel (D-Rock Island) and Carl Preihs (D-Pana).

All five senators were staunch supporters of the higher fees when they were before the senate, and Stengel battled hard for them in the house.

Whatever the committee recommends would have to be approved by both branches of the legislature.

The so-called compromise nickel gas tax plan, which is backed by Gov. Stevenson, already has won approval of the senate and a house committee.

Set For Vote

The roads and bridges committee sent it to the house floor for a decisive vote, probably the middle of next week, with a passage recommendation. The vote was 18 to 1.

The house approved and referred to the governor a bill that would allow "habitual violators" of truck overweight restrictions to be suspended from the highways by courts.

Ten infractions by one firm within a year could draw a 90-day suspension, if a court decides to invoke it after a hearing.

PARKE LIVINGSTON

Dixon Rotary Ann Dinner Monday Night

Dixon Rotarians and their wives will meet at the Loveland Community building Monday for the annual Rotary Ann program.

President Lyle Prescott will end his term at this meeting. Park Livingston, chairman of the University of Illinois board of trustees, will be the speaker.

He became president of the board of trustees in 1943 at the age of 36, the youngest president ever chosen for the post. He was elected five times, went out of office in 1948 and was re-elected in 1951.

Also he has been a director of the University of Illinois foundation, president of the board of trustees of John Marshall law school, member of the Pasteur Memorial association, the Episcopal church, Young Republicans organization, Masons' Chicago and Illinois State Bar association and other groups.

The Rotary Ann meeting will begin at 6:30 p.m. Monday at the Community building.

Franco Bans Arms Shipments to Reds

MADRID, Spain—(AP)—Generalissimo Francisco Franco's government announced last night it has placed a ban on arms shipments to Communist China and North Korea. There has been no indication however, that Spain has shipped arms to either country in recent years.

India Signs Trade Pact With Reds

NEW DELHI, India—(AP)—The government announced today it has signed a barter agreement to exchange "freely sold" goods for 100,000 tons of Russian wheat.

Officials refused to say what Indian products would go to the Soviet Union.

Evening of Song

An evening of song will be presented Sunday night at the First Baptist church in Dixon.

The evening will include hymn singing by the congregation, and music by the junior choir, the senior choir and the men's chorus. There will be no sermon.

Huge Search Launched for Missing Plane

Airliner, With 40 Aboad, Down In Africa Jungles

DAKAR, FRENCH WEST AFRICA, (AP)—Rain-laden skies today hampered the vast air and ground search for a New York-bound Pan-American Constellation with 40 persons aboard, missing in jungle wilderness since yesterday.

Pan-American officials called the hunt "the greatest air search in history."

Taking part in the quest were all available civil and military planes in the region, plus United States air force bombers called in from far away bases.

B-17s Join Search

Five U. S. air force B-17s arrived in Dakar during the night from their Azores base. They took off in a heavy overcast this morning to range the trackless wastes where the giant plane may have gone down.

Airport officials said a flight of 15 U. S. air force B-29s is expected to arrive during the day from continental Europe to help in the hunt.

Yesterday French, American and Liberian planes flew over the jungle area, as native tribesmen hacked their way along crocodile-infested streams into the rain-soaked brush.

Tornado Hits Area

A tornado raged through part of the Dakar area early yesterday. There was no indication whether the high winds might have struck the Constellation as it sought to land at Roberts field, Liberia, during a tropical rain.

In his final contact yesterday, the pilot of the Constellation had messaged that the radio beam to his next scheduled stop—Dakar—had blacked out and he was returning to the Liberian airport which was built for American military planes during World War II.

On Regular Flight

The plane was on a regular flight from Johannesburg, South Africa, to New York via Leopoldsville, Belgian Congo; Accra, Gold Coast; Dakar; Lisbon, Portugal and the Azores.

The crew of nine was American, mostly from the New York metropolitan area, and four of the 31 passengers were booked through to Idlewild Airport, N. Y.

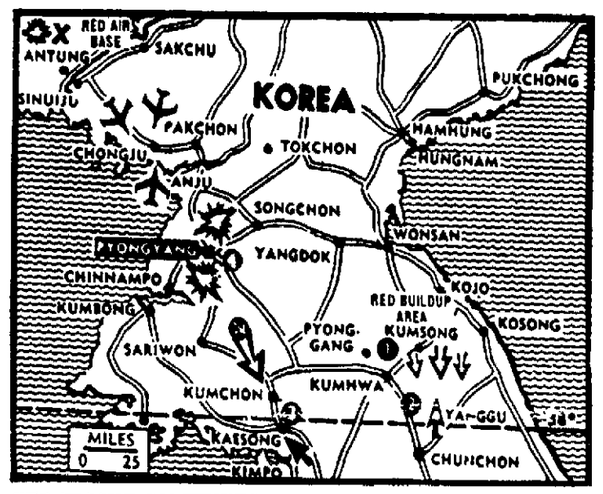

Boy Reports Injury After Friday Mishap

An eight-year-old boy was taken to KSB hospital for examination following an auto accident Friday at Jefferson avenue and McKenney street.

Russell Boyd complained of an eye injury but the physician failed to find any injury. The car the boy was riding in was driven by Ewell Boyd, 49, of 109 W. Graham st.

According to the police report an auto driven by Gladine Prince, 37, of 724 Institute blvd., crashed into the side of the Boyd auto. Time of the accident was 10:15 a. m.

An unknown driver caused an accident at W. River street and Hennepin avenue at 1:10 p. m. The unknown car pulled out of a parking lot causing Robert E. Batt, 29, of 416 E. River st., to turn his truck out of the path and crash into a parked car owned by Harry Wienman, 531 E. Chamberlin st.

RED FLIGHT CONTINUES—On all fronts enemy forces fled pell-mell before the surging UN offensive and Chinese Reds surrendered in unprecedented numbers. Some 60,000 (Communist symbol) were trapped by a giant pincers drive that recaptured Inje and Hwachon and put UN troops (1) and (2) across Reds' escape routes. On east coast, South Koreans captured Yangyang and forged north. A Dutch-American task force of the Second Division rolled into Hyon. In the west, enemy troops fled before Allied tanks spearheading a drive into Yonchon (3).

Rev. A. C. Nesmith Reassigned To First Methodist Church Here

The Rev. A. C. Nesmith has been named by the Illinois conference to remain as minister of the First Methodist church in Dixon. The conference met this week at Naperville.

The conference acceded to the wishes of the local congregation which asked that Nesmith be returned. Rev. Nesmith soon will begin his fourth year at the Dixon church.

Methodist churches at Amboy-Franklin Grove, Ashton and Compton-W. Brooklyn will have new ministers soon. The conference named Olin C. Jones as pastor of the Amboy-Franklin Grove church, Richard K. Pilgrim to the Ashton church and Leroy W. Moore, student pastor, to the Compton-W. Brooklyn church.

In Whiteside county, Joseph W. Walker, student pastor, will assume charge at the Tampico-Leon church.

Pastors in other area churches will remain with their charges, according to conference reports.

Other Assignments

J. Richard Drees will remain at Mendota, Merle E. Hall at Ohio, Webster R. Hobb at Pawpaw-Lee, E. Cedric Pope at Princeton, Hughes B. Morris at Rochelle, Paul M. Gilbert at Rock Falls.

James D. McKelvey First church, Paul W. Bloomquist at Sterling Fourth street church, D. Eugene Harrison at Steward, Hollis R. Wharton at Walnut, J. H. Nightingale at Mt. Morris, Edwin S. Hunt at Oregon.

Rev. Ball to Ottawa

D. J. Schuyleman at Polo, James H. Hagerty at Byron United-Stillman, Ralph Jones, student pastor, at Apple River, J. Frank Anderson, student pastor, at Harmon.

Frederic E. Ball, son of Mr. and Mrs. Fred E. Ball, 1005 Highland av., Dixon, will be the new pastor of the Epworth church in Ottawa. He previously served at the Galena church.

Three Polo women were named as deaconesses. They are Catherine E. Frey, director Peek Home for Children, Ruth E. Grunert, girls' house mother, Peek Home for Children, and Evelyn C. Murphree, caseworker, Peek Home for Children.

The Letter Came, Wire Followed

NEWARK, N.J.—(AP) — An official telegram from Washington has dashed a young woman's hope that she received by mistake a letter from her GI husband in Korea to be sent only "in case my time should come."

Dorothy Long, 22, received the letter Wednesday from her husband, Pfc. Jacob Long.

"I've asked one of the boys to mail this for me in case my time should come," the letter started.

Dorothy received no previous word that anything might have happened to her husband. She started hoping it was all a mistake. Her husband's name wasn't on any casualty lists. Washington sent no notice.

The telegram came yesterday. Pfc. Jacob Long was killed June 7 on a Korean battlefield.

Long, who had been in Korea for six months with the 8th Cavalry regiment, never got to see his three-month-old son, Alfred.

Three Amboy Youths Held For Thefts

Petit Larceny Charges Filed Against Pair

AMBOY—Three Amboy youths are being held in the county jail. Two are charged with petit larceny while the third faces a charge of violation of probation.

The latter is Jesse McGuire, 19. He was the only prisoner who refused to leave the Lee county jail in January when three others broke a hole through the concrete floor and escaped.

Given Probation

Because of his youth and because he refused to participate in the jail break, McGuire was given five years probation. Today he is back in jail charged with taking a 50-gallon gasoline drum from the Sylvester Haefner farm two miles north of Amboy and some socket wrenches from Paul Conway, who runs a cement block business in Amboy.

His two alleged accomplices are Ivan Ketchum and James Noble, both 16. Ketchum was arrested by Sherfiff Charles H. Redebaugh Thursday night while Redebaugh and Chief Deputy John Stouffer arrested McGuire and Noble last night.

According to Redebaugh the trio filled their gas tank from the 50-gallon drum then loaded the drum into the back seat of the car.

After McGuire was granted probation he publicly stated that he had learned there was no easy way to make a dollar. He added he wanted a job and a chance to go straight. He was first arrested for partcipating in burglaries in Amboy. His companions, Alfred Berogan, Dixon, and Jerry Farmer, Sterling, were sentenced to the state penitentiary.

International Court to Hear Iran Oil Case

By the Associated Press

The International Court of Justice at the Hague—judicial arm of the United Nations—stepped into the critical Anglo-Iranian oil dispute today. It wil begin hearings next Saturday.

Britain requested the world court to intervene after its negotiations with Premier Mohammed Mossadegh's Nationalist government broke down this week.

The Iranians pushed ahead with their "no compromise" move to nationalize the rich Persian oil resources, forcing out British control of oil production in that Middle East country.

Oil apparently still was flowing from the Anglo-Iranian Oil company's refineries at the south Iranian city of Abadan. But an Iranian government - appointed commission was in control of the British-owned company's offices.

Some 3,000 British workers—most of them the trained technicians needed to keep the intricate and sprawling refineries going—are being urged by Iran to stay on as employes of the newly nationalized Iranian National Oil Company. These workers, including on-the-spot company officials, have not yet indicated they are willing to do so.

Five Seized In Argentine Army 'Plot'

BUENOS AIRES— (AP) —Five Argentine army officers are under arrest charged with trying to stir a revolt against the government. Announcement of the arrests came on the heels of press reports that a plot was afoot to assassinate President Juan D. Peron and his wife. The army ministry said last night the five officers arrested in connection with an investigation of military personnel believed involved in "a plan to create confusion and disrupt public order." The probe, it said, "had been disclosed in the newspapers."

All week pro-government papers have been running banner headlines about an alleged plot to topple the government and slay Peron, his wife and other high officials.

The ministry said the five men were detained "in order to determine the responsibility of military personnel" in the reported plot, which the semi-official newspaper Democracia charged was financed by "Wall Street capitalists."

Long-Haired Piano Player Held for Rock Island Holdup

ROCK ISLAND—(AP)—A long-haired musician was seized at his piano yesterday in connection with a $5,000 tavern holdup.

Claus C. Miller, Rock Island police chief, said he and two fellow officers slipped up behind shaggy-haired Joseph De Salvo, 21, and seized him as he tinkled out a tune on a piano at the Fifth Avenue club. He was held Without charge.

DeSalvo, of Chicago, had a .45 caliber pistol strapped beneath his armpit but made no attempt to use it.

DeSalvo signed statements at the police station, the chief said saying that he had robbed three taverns within three months in Rock Island, the latest yesterday. The chief said $4,700 in cash was recovered from DeSalvo's car parked near the tavern where he was taken.

Miller said the money came from the Viaduct tavern near the Farmall Works of International Harvester Company, which DeSalvo said he robbed yesterday. Miller declined to reveal how he came to suspect DeSalvo.

The robber who held up the Viaduct escaped with $5,500 in cash and $4,000 in payroll checks.

Bartender John Delp, 35, described the robber as about 25 years old, badly in need of a haircut, and wearing blue jeans, a corduroy jacket and peaked cap.

Super-Liner, Conceived as War Vessel, Floated for First Time

NEWPORT NEWS, Va.—(AP)—The passenger liner United States, which was floated in her drydock early today, was conceived and built primarily as a troop transport in the event of war, her operators disclosed today.

John M. Franklin, president of the United States Lines, in a talk prepared for ceremonies christening the $70,000,000 super liner, said: "We face . . . the solemn fact that we are in a period of world confusion and crisis. Against the possibility of such an emergency, this mighty ship was conceived, planned and constructed, basically and primarily, as a naval transport, for immediate use as a troop ship if war must come."

Secret Features

The 51,500-ton United States, largest and fastest passenger ship ever built in this country, has many closely guarded secret defense features which make her readily convertible into a transport capable of carrying 14,000 troops. She is the third largest ship in the world, bowing in size only to Britain's Queen Mary and Queen Elizabeth.

When the vessel, now 70 per cent complete, enters trans-Atlantic service next summer, she will have accommodation for 2,000 passengers and will carry a crew of 1,000. Her rated speed is 30 knots but ship experts expect her to exceed that figure considerably.

Wide Cruising Range

Franklin, who spoke several minutes before Mrs. Tom Connally, wife of the Texas senator, was to break a bottle of champagne on the new ship's bow, said the United States will have "a wider cruising range than any other ship of comparable size that has yet been designed."

He said she will be capable of transporting an entire division of troops across the North Atlantic, in the tropics, or in the arctic, and return home without refueling.

The 990 foot liner was not launched from conventional sliding ways. Because of her great size, she was built in a drydock, which was flooded early today to float the ship off the blocks on which her keel was laid 16 months ago.

Greens Stuff!

Why do so many Dixon area vacationers prefer to spend those precious vacation days right here in the Dixon area?

One of the big reasons is the varied amount of recreation offered here. And the golf courses in the Dixon area provide a major share of that recreation.

Starting Monday, The Telegraph offers a series of five articles on these courses by Sports Editor Hugh Hough. This series will tell about Dixon Country Club, Plum Hollow, Oregon Country Club, Emerald Hill, and Sunset Golf club in Mt. Morris.

If golfing's your hobby, don't miss it. And even if you don't play golf you will find this series interesting reading starting in Monday's Evening Telegraph.

U. N. Troops Command Hill After Battle

Red Chinese Try To Screen New Defense Points

TOKYO — (AP) — Allied troops and Chinese Reds fought savagely with bayonets and hand grenades today for commanding ground in the old Communist "Iron Triangle" of North Korea.

High ground exchanged hands five times during the day.

At nightfall the allies were dug in triumphantly on the hill. The Reds pulled back, possibly to regroup for a new blow.

U. N. infantrymen pushed into the area south of the triangle apex of Pyonggang early Saturday in an attempt to throw off balance an expected Red smash about Monday, the war's first anniversary.

They advanced steadily all morning through constant small arms and automatic weapons fire.

Launch Attack

The Allies hurled a morning attack on the hill in a broiling sun.

Hundreds of enemy rifles and submachineguns and five machineguns answered their charge.

Allied tanks and artillery splattered the Red bunkers just over the ridge top. U. N. troops won their objective at bayonet point by midafternoon.

Thirty minutes later the Chinese struck back with withering tommy-gun, grenade and machinegun fire. Bayonets were fixed to their rifles.

Allies Withdraw

The Allies backed down the south slope of the 500-foot hill. They regrouped at the base and dodggedly stormed to its summit again.

With bugles blowing, the Reds were back again before the Allies had time to consolidate their positions.

Once more the Allies fell back down the slope but they were on top again at darkness.

Allied artillery and warplanes hammered the rear slope of the hill while the bayonet-grenade fighting see-sawed on the southern slope.

Screen New Defenses

As the furious fighting waned, frontline officers said "We believe we have cracked both the resistance and the counterattack. We will take the ground and hold it."

The Red force that fought so stubbornly for the high ground was a screen to keep Allied probing units from sounding out new enemy defenses being formed north of the Reds' former "Iron Triangle" troop massing area.

Joliet Chief Clamps Curfew After Blasts

JOLIET—(AP) — The police chief of Joliet has proclaimed that anyone caught on public thoroughfares between midnight and dawn will be subject to police investigation.

Chief Ervin F. Boe said this order, which he issued yesterday, applies to persons walking on sidewalks as well as those riding automobiles.

He said the order had the approval of Police Commissioner Edward Franck. Boe ordered his police to "stop and question any and all persons, regardless of prominence, if they are loitering or invoke police suspicion in any manner."

The order was issued, Boe said, to prevent dynamitings which have rocked the city twice in five weeks. The last blast Wednesday morning damaged headquarters of the Hellenic Veterans club.

Mayor Arthur O. Janke yesterday revoked the club's liquor license. The mayor said members of the club told him there has been gambling in the club.

Editor Dies of Food Poisoning

PUSAN, Korea—(AP)— The publisher of the only English language newspaper in Korea, Kim Sang Young of the Korea Times, died yesterday from food poisoning. He was 51. A former educator, he received his master's degree in English literature from Boston university.

Attic Fan Can Cool Home 15 To 20 Degrees

A feature in more and more homes, both large and small, is summer comfort via night-cooling attic fans.

As the name implies, the fan ventilates and cools the dwelling by dispelling heated air stored in the attic (which is transmitted throughout the house saturating walls and furnishings). The sun's rays beating down on the roof raises attic temperatures as high as 135 degrees, according to information.

When the sun sets, outdoor temperatures drop 15 to 25 degrees but, because of heat stored up in the house, inside temperatures drop only slightly. The attic fan, however, quickly changes this stuffy picture. First the fan exhausts the torrid attic air and then draws away all of the hot, dead air hanging oppressively throughout the house. Cool, healthfully refreshing night air floods in through open windows and, within minutes, the indoor temperature has dropped 15 to 20 degrees.

Complete Change

The fan completely changes the room air every minute or two assuring a constant supply of fresh, cool air for pleasant, invigorating atmosphere.

Besides contributing to the health and comfort of the dwelling's occupants, the attic fan helps to preserve the structure. By preventing the spread of moisture due to high humidity, the fan helps eliminate fungus growth, deterioration in walls, ceilings, foundations, and furniture not to mention peeling paint.

When specified at the planning or blueprint stage, the attic fan is particularly low in cost as during building construction, installation costs are negligible.

Choose Carefully

Fans should be selected by the amount of air they move. Figure the requirements of your home by calculating the volume (room width, length, height) of the living space. Closets, bathrooms, cupboards, etc. may be excluded from the figures. The total volume is the amount of air that fan must move for a complete air change each minute, or divide the volume by two to get the fan rating for a two minute air change.

A 36-inch attic fan will move 10,000 cubic feet of fresh air each minute as compared to table model fans with capacities ranging from 500 to 100 cubic feet of air circulated—not exhausted.

For renters of small homes or apartments the window fan produces essentially the same benefits as the attic fan. Either attic or window fans, available though local electrical appliance and building supply dealers, can be operated for only pennies a day.

Farm real estate in the United States is estimated to have a total value of about $69,000,000,000.

Make Own Wall Cleaner and Save Work

Washing walls and woodwork is one cleaning task most homemakers would just as soon "put off until tomorrow." Fortunately, however, the job can be simplified by using an effective no-rinse cleaner and a few short-cut methods.

A cleaner that is excellent for washing painted walls and woodwork can be made in a few minutes. Mix the solution in a cleaning pail so there will be no need to transfer it to another container.

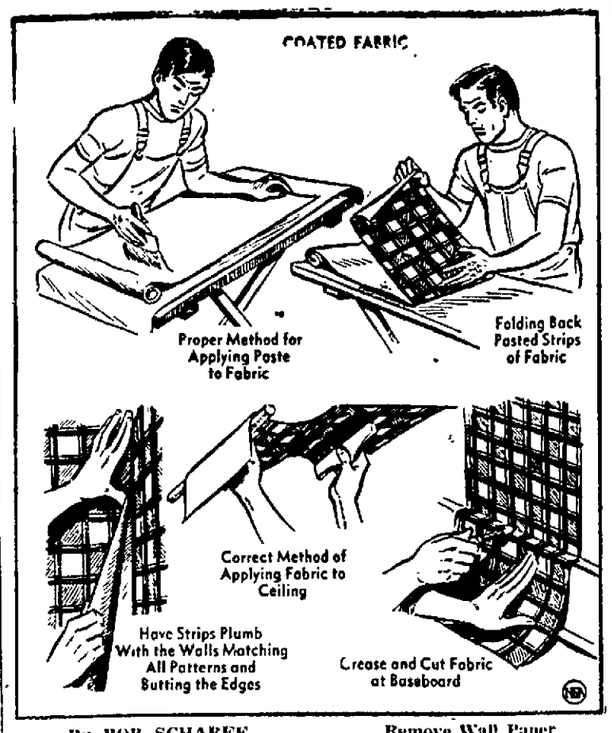

Here is the recipe for making the cleaning solution.

No-Rinse Wall Cleaner
1 gallon hot water
1 cup household ammonia
½ cup vinegar
¼ cup baking soda

Measure the hot water into the pail. Add the ammonia, vinegar and soda and mix thoroughly. Dip a sponge or soft cloth into the solution and wash a small area at a time. This cleaner can be used on painted walls, painted woodwork or painted furniture.

When washing walls, be sure to start at the bottom and wash up. Hard-to-remove streaks are the result when water runs down dirty walls.

New Fabric Wall Coverings Not Difficult to Apply

By BOB SCHARFF

Protective fabric wall coverings have a definite place in the field of wall decoration. They provide a quick, economical, crackfree method for resurfacing old walls. Being made of coated cloth, not paper, they reinforce plaster walls, thereby preventing new cracks. They hide and strengthen old ones and provide first-class decoration with either wallpaper-like pattern effects or paint-like solid color treatments.

Despite these advantages, many a homeowner refuses to attempt hanging this wall covering simply because he thinks there is some difficult trick to it. Actually, if the proper procedure is followed, it is no harder to hang than ordinary wallpaper, and practically the same tools are used.

Remove Wall Paper

Before applying the wall fabric to old plaster surfaces, all wallpaper or calcimine should be removed. Painted surfaces should be washed down with a strong soda solution followed with a water-vinegar rinse. Where the surface still remains glossy, dull it by rubbing with steel wool or sandpaper.

For new plaster work, the plaster should be dried completely and free from all active lime burns. Sandpaper smooth and apply a thin coat of glue size. Over wall boards, apply sprackle or Swedish putty to all joints and nail holes and, when dry, sand smooth, then brush on a sizing coat made from four parts varnish and one part turpentine.

Examine each roll before actually starting to hang the covering, checking the run number and matching up the rolls. Cut each roll into strips of the required length (slightly longer than the space they are required to fill) using a sharp knife and a straightedge. If using a plain color, reverse every other strip.

Apply Paste

Apply wheat paste (mixed as directed on the package) on the back of each strip, brushing thoroughly to form a smooth, evenly-distributed coating. Never pile the paste on as this may cause air pockets to develop later under the fabric.

Then fold the pasted sides together and neatly trim the waste away, being sure to sharpen the knife or trimmer blade frequently. Plain patterns need only be trimmed about one - half inch on each side.

Hang strips perfectly plumb with the walls, matching all patterns at the seams. Then carefully butt the edges together and fit them to a perfec match. Smooth with stiff brush, working it from side to side rather than up and down.

This tends to keep the moist fabric from stretching and makes it easier to match the pattern. Roll seams lightly and then wipe the surface with a damp sponge to remove finger marks and excess paste from the seams.

Ceiling Finish

For a ceiling finish, the fabric coating is applied in the same manner as on the wall, but it is advisable to hang it prior to doing the wall installation. To prevent wrinkling, hold the pasted strip over a four-foot wood or cardboard support with the left hand, while with the right hand place the strip in the proper ceiling position.

For the most satisfactory joint between the walls and ceiling, extend the fabric down over all walls about one inch, mark and then trim for a one-quarter inch overlap. This overlap will of course be covered later when finishing the wall. Wall fabrics generally require a day or two to dry, therefore any error in figuring or matching may be corrected by pulling the entire strip of fabric from the wall or ceiling and doing it over correctly.

America's smallest deer, found in the lower keys near Key West, Fla., weigh only 35 pounds and measure less than two feet high at the shoulder. According to the National Geographic Society, there are only 12 of these deer left.

Of the 11,000 different kinds of bacteria, only about 100 are harmful.

Name Harmon Salvation Army Drive Group

HARMON—The committee has been named for the Salvation Army drive. Mrs. Glenn Zentz, Mrs. Doris Blackochy and Mrs. Joe Hefferman were named as officers. Barbara Butler will take care of Tag day, the date to be announced later. Glenn Zentz will contact the businessmen.

Family Dinner

A family dinner was enjoyed Father's day at the home of Mr. and Mrs. John Dimmig Sr. Those present were Mr. and Mrs. Clarence Brill, Mr. and Mrs. Roy Hicks and family, Mr. and Mrs. Larry Lutz and family, Mr. and Mrs. John Dimmig and family, Mr. and Mrs. Donald Dimmig and family and Bud Dimmig.

Harmon Visitors

Mr. and Mrs. I. H. Perkins, Hollywood, Fla., were visiting their daughter, Mrs. Frank Knoll.

Mr. and Mrs. Clarence Hellem and Mary Eileen, Mrs. C. L. Petri and Loretta were Sunday visitors at the Theresa Petri home.

Mr. and Mrs. David Butler, John and Lyle, were callers in Franklin Grove Sunday afternoon.

St. Anne's Meet

St. Anne's meeting was held Thursday afternoon, June 21. Band Six was in charge of refreshments.

Harmon Notes

Mrs. Susan Kent, Sterling, is staying with Mrs. Jennie Leonard for several weeks.

Mr. and Mrs. Cecil McCormick entertained Mrs. Emma Sindlinger, Chicago, Miss Anna McCormick, San Francisco, California, and Mr. and Mrs. Ed Higby, Freeport, over the weekend.

Mr. and Mrs. Walter Thomas, Miss Olive Garland, Miss Charlotte Garland, Sterling, and Alice Conlon, Chicago, spent Saturday evening with Mr. and Mrs. Cecil McCormick.

The first railroad fatality occurred in England in 1830 at the opening of the Liverpool to Manchester line. The victim was run over by the locomotive. A witness complained it was a "dear price to pay for the folly of seven hundred people going fifteen miles an hour."

Tons of Junk in Air Adds to Discomfort of Modern Living

What constitutes the air we breathe?

Well, chemicaly, atmospheric air is a mechanical mixture of gases which, when dry, measures up volumetrically about as follows: Nitrogen—78 per cent, oxygen—21 per cent, argon—.94 per cent, with a very small percentage of neon, krypton, kenon and helium. But, to this list of the natural properties of the air we breathe, we can also add such other items as soot, coal dust, sand and other assorted types of "airborne junk."

Tons of Soot

Illustrative of how much of this foreign material actually pervades the air around us are the recent findings of a research institute. This testing agency has concluded that about 1,950 tons of soot per square mile falls out of the air each month on Pittsburgh, approximately 1,530 tons per square mile on Baltomore, 1,450 tons on Chicago, 700 tons on Cleveland, 600 tons on St. Louis, 500 tons on Cincinnati, and 370 tons per month per square mile on New York City. That's a lot of soot.

If the air in which we live carries this much soot, just imagine how much dust, pollens and other foreign materials it carries. And there, is an answer to the oft-asked question, "Where does all the dust in my house come from?" It's in the air. It infiltrates through the cracks around windows and doors. It's brought in from the outside on clothes, shoes and other wearing apparel of the folks that enter the house.

Can anything be done to correct this situation? Well, naturally, the ideal place to start correcting the destructive consequences of airborne soot and dust is at its source. Whereas some forward strides have been taken in this direction by municipalities through smoke abatement measures and other soot and dust counteracting means, it will still require many years before we see smokeless and sootless cities in industrial America.

Protect Home

Therefore, it is important that the homeowner protect his own home interiors as well as the health of his family by filtering the air circulating within his house. Air filters are standard equipment in modern winter air conditioning systems. Because winter air conditioning systems control and circulate all the air within the house, the home owner can be assured that he is screening out the soot and dust content from this air.

The air circulating segment of the winter air conditioning system can be operated in the summer as well as winter, performing the important service of filtering out summer dust and pollens. It also provides circulation of air which is a comfort on those hot, still days when not a leaf is stirring outside.

Hope Poisoned And It's No Joke

LONG BEACH, Calif.—(AP)—Comedian Bob Hope was treated by a physician last night after suffering an attack of acute indigestion.

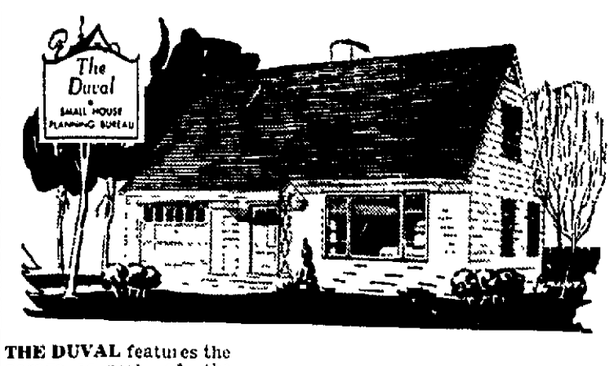

He complained of stomach pains after he had eaten a sandwich at a Reserve Officers Association meeting. The doctor advised him to rest behind stage and after a while he drove his car home. Hope, who has appeared in 19 shows in the last 17 days, said he was very tired.

Americans Lead Communist Huks

MANILA—(AP) — A Philippines army report today said three Americans and a Chinese were believed to be leaders of a well-armed band of 100 Communist Huks of Bicol peninsula southeast of Manila.

It is generally known that possibly a dozen Americans, some of them deserters from U. S. military forces, have been in the hills with the Huks.

Both words and music for "My Wild Irish Rose" were written by Chauncey Olcott.

THE DUVAL features the garage as part of the house, with a bedroom above and under the main roof of the house.

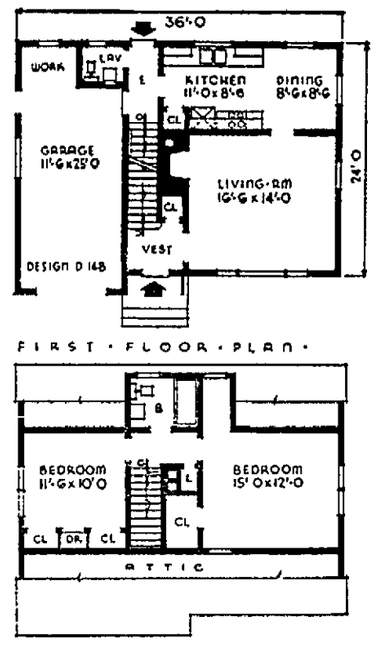

Rooms on the first floor consist of vestibule, living room, combination kitchen-dinette and a lavatory. Two bedrooms and bath complete the second floor, with a dormer on the rear to clear the bathroom and a rear window in the large bedroom.

Cabinets in the kitchen are located on opposite walls and provide for a closet, refrigerator and range on the inside wall, a sink and work counters on the outside.

Other features are the coat closets, direct stairs to the second floor, fireplace, wardrobe closets with drawers, in the small bedroom and a walk-in closet in the large one.

Exterior dimensions of the Duval are 36 feet by 24 feet. The floor area is 889 square feet. The cubage totals 20,891 cubic feet.

For further information about THE DUVAL, write the Small House Planning Bureau, St. Cloud, Minn.

11 U. S. Reds Denied Appeal, Awaiting Jail

WASHINGTON—(AP) — The United States' 11 homegrown Communist leaders who were convicted of teaching the violent overthrow of their government may begin their prison terms early next month.

Justice Jackson, of the supreme court, late yesterday denied their pleas for stay of sentence until the high court gets back next fall from its summer recess.

The convicted men are Eugene Dennis, general secretary of the Communist party of the United States and his 10 chief advisers. Together, they form the "politburo" — executive council — of Communism in the United States. Dennis and nine others got sentences of five years and $10,000 fine. The eleventh, R. G. Thompson, drew a three year sentence, in view of his war record in the Pacific, and $10,000 fine.

They were convicted under the 1940 Smith act, which forbids conspiracy to teach or advocate overthrow by force of the U. S government. The Supreme court ruled on June 4 that their convictions were constitutional. They appealed, and asked that they not be jailed until the supreme court could act.

Jackson considered the request for stay of sentence. He said it was 'beyond belief" the high court would change its views. He therefore ordered sentences executed without delay.

The government has meanwhile rounded up 17 men it described as second-string U. S. Communist leaders, and charged them also with violating the Smith act.

Hundreds of Flower Types Grown for Very Small Cost

There is pleasure in growing a fine plant. Many gardeners get their chief satisfaction in this way, and pay small attention to the manner in which their plants are arranged in a landscape design.

The all around gardener will grow what plants he can, and arrange them in the garden as attractively as he is able, finding pleasure in both departments of his art; and there is no undertaking in which this dual reward is greater than in growing perennial plants from seed.

It saves money too, for many perennials can be grown as easily as vegetables, for a nominal cost in seed, plus a few square feet of soil, and a few hours of pleasant work. Compare that with post-war prices of perennial plants, and you will see the possibilities.

The easiest time to start perennials is in the spring; but they can be sown in the summer, and most gardeners have more time to do it then. But special precautions should be taken to counteract hot, dry weather.

With temperatures likely to shoot up to 100 degrees in the sun, the safe way is to prepare a seed bed of fine, porous soil, which is shaded lightly from the midday sun or can be shaded with a canopy of cheesecloth, laths, or burlap. A cold frame is easily fitted with such a canopy, or a special bed surrounded by a wooden curb to keep off washing rains is easily prepared. Soil in the seedbed should not be fertilized.

Four Perennial Flowers Easily Grown From Seed.

Sow perennial seed in rows, just as you would radishes, depth varying from half an inch for the smaller seeds, to an inch for the largest. Cover only with porous soil, using sand or a mixture of sand and fine soil, or peat, or humus. Keep the soil moist until the seeds sprout, and the plants well established; then water normally. Label each row so that you know what kind and color of plants are growing. Keep weeds down and let the plants grow until they are large enough to handle, when they should be moved to a nursery row, and given room to develop until large enough to take their place in the perennial border.

Many perennials germinate slowly; and it will save your patience if you know in advance when to expect the seedlings to show. The following list of subjects easy to grow shows the average time required for germination under favorable conditions:

Anchusa, 10 days; achillea, 10 days; anthemis, 5 days; boltonia, 5 days; campanulas, 5 days; carnations, 5 days; columbine, 5 days; coreopsis, 5 days; Shasta daisies, 5 days; delphinium, 20 days; dianthus, 5 days; foxglove, 10 days; hibiscus, 15 days; hollyhocks, 5 days; hesperis, 10 days; gaillardias, 20 days; linum, 8 days; lupine, 8 days; lychnis, 10 days; physalis, 15 days; primula, 15 days; salvia, 15 days; pyrethrum, 20 days; stokesia, 20 days; trollius, 50 days; veronica, 15 days.

Missionaries Leaving China

HONG KONG—(AP) — Eight missionaries with long experience in China arrived yesterday aboard the British freighter Hunan en route to Europe.

There were four Italian priests of the Franciscan order and three French Catholic fathers of the Vincentian order. They left the northern port of Tientsin after from 13 to 26 years in China.

Complies With UN

BOGOTA, Colombia — (AP) — The Colombian government decreed a ban last night on exports of "strategic materials" to Communist China and North Korea, in compliance with the recommendation of the United Nations.

It is said that pigs are the only animals that will eat primroses.

Honest Peter F. Dawson signed a quit claim deed . . .
but the property had been owned by an entirely different Peter F. Dawson
Fortunately for the new owners, they were protected by a Chicago Title and Trust Company Title Guarantee Policy, which saved them from loss!
The records showed an old claim of ownership by one Peter F. Dawson. He was offered a small cash settlement, which he gladly accepted. The Dawson claim was thus wiped out to everybody's satisfaction, leaving the title clear for the new owners.
Then a year later, a second Peter F. Dawson appeared and revived his claim to the property. The first Dawson, who had owned property nearby and was honestly confused about its location, had signed away rights which he did not possess. And the new owners were faced with possible lawsuits by the equally honest second Peter F. Dawson.
Fortunately for them, they had been advised before the purchase to demand a Title Guarantee Policy with the property. Under its terms, Chicago Title and Trust Company protected the new owners fully . . . paid the second Dawson claim in full—and restored a clear title to the owners.
It is your right to insist on a Title Guarantee Policy with any property you buy. No other form of title protection affords you such complete assurance against loss . . . and worry.

MacArthur Ouster Shows Japs Meaning of Democracy

Even among those who approved General MacArthur's dismissal in April, there was widespread regret that the action removed from Japan the man who had so ably administered the occupation there.

Correspondents on the scene contributed to the general concern by voicing fears that the Japanese might react badly to the event. Some foresaw a deterioration in the situation that could wipe out some of the excellent progress Japan had made under MacArthur.

Actually, no dire results have ensued. That a calamity has not occurred does not, however, cast doubt on the judgment of those who measured MacArthur's administration so highly.

It is simply a reflection of the endlessly-demonstrated fact that in a working democracy like America's, no man is indispensable nor need be regarded as such.

* * *

General Ridgway, his talents as a field commander already well proved, is now displaying the special abilities required for an occupation administrator, as did MacArthur before him, and General Clay in Berlin.

This is not to say he has the same specific qualities, or that he sees the job in quite the same light. There are significant differences between his personality and MacArthur's, and inevitably their approach is different.

The important thing is not to make comparisons in an effort to determine whose administration is "best." For Americans, the exciting fact is that a man of MacArthur's stature can be supplanted without damaging the nation's prestige or reducing the effectiveness of its policies.

We can be gratified that in some fields, at least, we appear to have an ample reservoir of leadership and can thus give continuity to our affairs.

* * *

But probably the greatest benefit from Ridgway's excellent follow-up performance is the lesson it has given to the Japanese. There had been in their extreme regard for MacArthur something of the same worshipful attitude the Japs always had felt for their emperor.

To a nation being schooled by us in the ways of democracy, it was therefore valuable instruction to learn that leaders could be changed without upsetting matters. Rotation of leadership is inherent in our concept of democracy.

General Ridgway deserves our thanks, and the whole free world's, for demonstrating the human vitality of a nation living under liberty.

But Is 'Shelter' the Word

The New York City civil defense officials are considering designation of certain crosstown subway tunnels as A-bomb shelters.

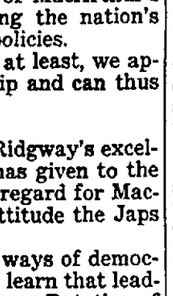

It's easy to see why the choice was made. The tunnels have already met the biggest test: morning and evening they survive a great log-jam of humanity shuttling back and forth across Manhattan.

Where else could you find a shelter that's proved itself in two "drills" a day for several decades?

The United States is getting bigger. The northern shore of the Gulf of Mexico has been pushed southward more than 200 miles in geological time and the process continues. This building of new land is due to the enormous amount of sediment dumped into the Gulf by the Mississippi river.

RUTH MILLETT

School 'Costume Wardrobe' Would Ease Mothers' Load

For the mothers of school-age children right now is the "costume season."

For as the school year draws to a close, Sis and Junior take to the stage, for class plays, school plays, operettas, dance recitals, and so forth.

One week Sis needs a couple of Dutch girl costumes. The next she needs a Chinese getup. Costumes demanded for boys aren't usually quite so elaborate—but they have to be made, nevertheless.

It's a big drain on Mama's picketbook and on her time and patience, making costumes for everything that comes along at school.

So here is a suggestion for PTA's across the country. Why not a costume wardrobe for your school?

It ought to be simple to collect in just a year or two. If every mother in the school were asked to turn over all the costumes she has on hand any she makes in the future, there ought to be a big enough assortment to take care of any school play or operetta.

EASIER ON MOM

A sewing class could have the project of upkeep, mending the costumes, pressing them, etc. That way the kids would get all the thrill of dressing up—and the mamas wouldn't be wasting money on costumes that are used once and put aside. To say nothing of the hours of work that go into the making of any head-to-toe costume.

It's amazing how mothers go on year after year, grumbling about the burden of costume making for their small fry, when if they got together and created a school costume wardrobe, the news that Sis is going to be a fairy princess in the Spring Festival wouldn't come as such a blow.

And the children whose mothers haven't the money to spend on elaborate costumes wouldn't be by-passed when parts are handed out in favor of the little darlings whose mothers can be counted on to spare no trouble or expense to costume their children.

IN HOLLYWOOD

By ERSKINE JOHNSON
NEA Staff Correspondent

HOLLYWOOD—(NEA)— Guys and Dolls: The leather-pushers who jabbed away at Buddy Baer in the fight ring wouldn't recognize him now.

Buddy's hair has been dyed a Lucille Ball shade of red for his role in UI's "Flame of Araby."

"It's like wearing a neon sign on top of my head," the former heavyweight slugger moaned. "I was just getting some grey in my hair and people were beginning to think I had brains. Then they had to do this to me."

Buddy on the subject of his earlier efforts to make a dent as a movie actor how that his emoting career is in high gear:

"Producers thought I had no acting ability and couldn't even speak English. I couldn't even get a prizefighter part. They said I wasn't the type."

* * *

The oldsters who stopped going to the movies when Janet Gaynor said farewell to Charlie Farrell's arms can get ready for another hot love team.

Ruth Roman and Steve Cochran.

It's fine and dandy with Ruth, whose emoting opposite Steve in "Tomorrow Is Another Day" prompted her studio bosses to yell, "Yea, team!"

"Steve's strong, I'm strong and it comes through," Ruth told me. "We've known each other since we were starving actors in New York. When we work together, we keep looking at each other and saying, 'Is this possible?' By the way, Steve still owes me nine bucks from 10 years ago on Starvation Row. He'd better pay up."

COMEBACK KID

Jim Davis knocked for a loop by movie critics after hitting the screens with another Davis named Bette in "Winter Meeting," is climbing back up the success ladder.

Husky Jim has the second male lead in Republic's "The Sea Hornet" and his agent has told him that nothing can stop him now.

Nothing but another "Winter Meeting," that is.

"I'm just beginning to recover," Jim sighed. "I figured to heck with it after that picture and started all over. You can learn a lot working every day for six months with a gal like Bette. I wouldn't take anything for having done the picture. If it had been any good, they wouldn't have said that I was miscast."

* * *

Jean Simmons is wearing the same oh-no-not-that expression these days that James Mason donned when the American movie market was flooded with his old British pictures.

The side-street art houses are playing flickers that Jean made when she was knee-high to Margaret O'Brien and the English beauty is saaying:

"It isn't funny. I'd rather that they didn't dig them up. When I think of some I made I blush."

What does Jean, who survived being called a ringer for Vivien Leigh, feel about being tabbed the spitting image of Elizabeth Taylor?

"Elizabeth and I aren't any more alike than Vivien and I were," she shrugged. "Just the same dark coloring. I'm not angry about it. I'm flattered."

CHANGE OF HEART

Actor Gar Moore eating humble pie:

"I hated Hollywood. I was a disgruntled actor who thought that because his career hadn't gone the way it might have, he was bigger than the place. Now I'm a wiser human being and I love the town."

Roberto Rossellini gave Gar his first movie break in the Italian-made "Paisan," then instructed his publicity boys to announce that Gar was an American GI who just happened to be around the neighborhood of Rome when he was casting the picture.

Gar's still groaning about the GI legend.

"It's hurt me in Hollywood and on Broadway," he wailed. "The truth is that I was sent to Rome straight from Broadway to do the picture. Nobody except the extras were GI's. A lot of producers still think of me as the green kid that Rossellini found."

* * *

Marquee sign: "If This Be Sin—I Can Get It For You Wholesale."

"The Life of W. C. Fields" is in the planning stages at 20tha Century-Fox . . . Tony Martin has been set for a return date at the London Palladium, opening Aug. 13. . . Ezio Pinza's first picture for MGM, "Mr. Imperium," will be shelved for four months while his second starring stint, "Strictly Dishonorable," hits the screens. . . . Sign of the times note: Most of the drive-in theaters now have full grocery counters.

When you have leftover sliced meat to serve for a family supper, add creamed potatoes and a salad to the menu. The creamed potatoes go well with the plain meat and they will be particularly attractive if you cut a little pimiento or green pepper into them.

All It Takes Is Courage

Jacoby on Bridge

A Moral in Mistaken Lead

By OSWALD JACOBY

One of the most remarkable hands to appear in a long time is reported from Holland. It caused quite a discussion of leading from honors.

West thought that his "solid" trump sequence furnished an admirable opening lead. Actually he could not have picked a worse suit to lead.

South won with the queen of trumps and led a diamond to knock out East's king. East returned the queen of hearts, dummy winning with the king. The ace of diamonds was then knocked out, and East had to find the best return.

He felt he could hardly afford to lead away from his jack-nine so he returned a club. Now South was home.

Dummy took the king of clubs and cashed the queen of diamonds, South discarding a heart. Declarer next took the ace of clubs and ruffed a club in dummy. He returned to his hand with the ace of hearts (a vital entry at this particular point and no earlier) to lead his last club.

West was down to his four trumps. He had to play the eight to stop dummy's seven from winning the hand at once. Dummy over-ruffed with the ace and returned the seven of spades. South ducked, and West was in with the nine of Spades. Now West had to lead from his ten-three up to declarer's king-six of trumps.

The curious part of the story is that not only did West begin his downfall by leading from his "solid" sequence in spades but also East completed the disaster by failing to lead hearts a second time from his broken holding in that suit.

If East had led a second heart

NORTH	16
♠ A 7 5 2

♦ 7 3	
♣ A J 7 2	

Neither vul.

East	South	West	North
1 ♥	1 ♠	Pass	4 ♠
Pass	Pass	Double	Pass
Pass	Pass		

Opening lead—♠ J

—high or low—South could not have been in his hand to lead the last club through West when that player had only four trumps left. And the contract depends on beings able to bring about that position.

Apparently the moral is that it's much safer to lead twice from Q-J-9 than once from J-10-9-8. If you find anybody who'll believe that, try to sell him the Brooklyn Bridge.

CARD SENSE

Q—The bidding has been:

North	East	South	West
1 Diamond	Pass	1 Spade	Pass
1 No-trump	Pass	3 Hearts	Pass
3 No-trump	Pass	?	

You, South, hold: Spades A-Q-9-8-3, Hearts A-J-10-7-6, Diamond 3, Clubs 8-2. What do you do?

A—Bid four hearts. Your partner should have some sort of three-card support for one of the majors since he could neither rebid diamonds nor bid clubs. Game is not guaranteed, but you will probably be safer at four of a major than at three no-trump.

TODAY'S QUESTION

The bidding has been:

North	East	South	West
1 Diamond	Pass	1 Spade	Pass
2 Clubs	Pass	?	

You, South, hold: Spades A-Q-9-8-3, Hearts A-J-10-7-6, Diamond 3, Clubs 8-2. What do you do?

Answer Monday

The planet Mars has two moons: Deimos and Phobos.

SO THEY SAY

In this land of plenty . . . we lack the essential ethical currency for its use, so we are threatened with cultural bankruptcy.

—Henry P. Van Dusen, president, Union Theological Seminary.

* * *

Growers, feeders and packers (in the meat industry) who made millions in the last few years now threaten to stop an effort that might aid the consumer. They are against price controls.

—Rep. Adolph J. Sabath (D., Ill.).

TODAY'S BOOKS For a BETTER TOMORROW

NEW BOOKS AT THE DIXON LIBRARY

Library Hours
10:00 a. m.-8:00 p. m.—Daily except 10:00 a. m.-1:00 p. m.—Thursday.

Umberto's Circus, by Eduard Bass. A new circus story. This one tells of a family in Czechoslovakia who owned the circus.

Hopalong Cassidy and the Trail to Seven Pines, by Tex Burns—A new Hopalong story.

Fire on the Wind, by David Garth—A novel of the lumber industry in northern Michigan just after the Civil War.

A Rough Shoo, by Geoffrey Household. A new one by the author of "Rogue Male." Although not approaching that famous tale of intrigue, this one is better than many.

The Scandalous Mrs. Blackford, by Harnett Kane—Mrs. Blackford, a beautiful and merry widow of 18th century Philadelphia, caused an international scandal as loud in its repercussions as that of the Wally Simpson—King Edward love story.

Edgell's Island, by Robert Presnell. A fine story of a son of a famous mother; the suspense includes a mystery and a murder.

The Captain, by Russell Thacker. Another novel of the Navy, similar to the Caine Mutiny, about a young captain of an LST.

The Southwest Corner, by Mildred Walker—A novelette concerning an old lady who sold her home to a schemer, but retreived it in time to have a home in the southwest corner of the big house for herself. A homey and sentimental story which avoids being sickening.

The Human Body, by Logan Clendening—A new edition of an old standard.

Insects in Your Life, by Charles H. Curran—A readable book on insects that are injurious and those that are beneficial to man.

Getting Acquainted With Minerals, by George L. English—A standard book on mineralogy, a subject fascinating to many amateurs.

Farm Wanted, by Helen Train Hilles—A young couple bought a farm on impulse. It took them years to analyze that impulse but they have enjoyed living on it and still do.

A Practical Guide for the Beginning Farmer, by Herbert A. Jacobs—Just what the title says.

A Field Guide to the Butterflies of North America, by Alexander B. Klots—Another in the Peterson Field Guide Series, of interest to nature students.

Trailer Coaches, by Ray F. Kuns—All about them, how to design and construct one, how to travel in one.

Tropical Fishes, and Home Aquaria, by Alfred Powell Morgan—"A practical guide to a fascinating hobby."

Practical Dog Breeding, by Harry C. Peake—An addition to the library collection of dog care, training, and breeding.

How to Get It From the Government, by Stacey V. Jones—A very helpful book for the citizen, explaining the many and varied services offered by the federal government.

Brothers Under the Skin, by Carey McWilliams—A new edition of a well-known book on minority groups and the race question in the United States.

The People's General, by David G. Loth—"The personal story of Lafayette" which makes very interesting reading, giving many sidelights on our own Revolution.

The Royalty of the Pulpit, by Edgar DeWitt Jones—This collection of excerpts from sermons and biographical bits about the clergymen who have delivered the Lyman Beecher lectures at Yale University amount to a history of preaching in this country.

An Ample Field, by Amelia H. Munson—This is a must for all people, or others who work with them. It is a book about books and young people.

Complete Poems, by Carl Sandburg—Pulitzer Prize winner this year.

Flowers and Table Settings, by Julia S. Berrall. A beautiful book, fine photographs of flower arrangements and table settings featuring flowers. It includes a section on tables and arrangements for flower shows which will interest all the people of Dixon.

American Indian Beadwork, by Walter B. Hunt. Illustrations and plates plus descriptive text explain the best-known handcraft of the American Indian.

The Baton, by Roger L. Lee—"Twirling Made Easy."

BARBS

By HAL COCHRAN

Every summer resort will be the "playground of the nation" again this year. Just what the ol' front porch will be for a lot of people.

* * *

To be "Johnny-on-the-spot" used to be a virtue—until gangsters made it a suicide.

* * *

As usual, brother is teaching sister to swim again—brother and sister to somebody else.

* * *

This should be a great season for squirrels. Lots of folks think the whole world is nuts.

* * *

Racing to beat a train to a crossing is one way to get your rites.

What's RIGHT?

A married woman is signing her name to a business letter.

WRONG: She signs it "Mrs. James Smith."

RIGHT: She signs it Mary Smith and writes "Mrs. James Smith" in parenthesis beneath her signature.

PETER EDSON'S WASHINGTON NEWS NOTEBOOK

MacArthur Hearings Have Impeded Work of Some Important Committees

WASHINGTON—(NEA)—MacArthur hearings have all Washington tied in knots. It isn't just that 25 senators—one more than a fourth of the members—have spent most of their time since May 3 on these hearings. They tie up all Senate Foreign Relations and Armed Services Committee work. The thing spreads.

For instance, Sen. Richard Russell of Georgia, chairman of the MacArthur investigation, is also chairman of Appropriations Subcommittee on Agriculture. Agriculture funds were cut $103 million by the House. Farm groups want some of the cuts restored. But not a wheel turns till the MacArthur hearings are over. Nobody has any idea when that will be.

* * * *

Measures Worked on

The slow-down shows in record of the two branches of Congress. Up to June 1, House had completed action on 331 measures of all types—public and private bills and resolutions. House had completed action on 477.

On public laws, only 43 have been passed by both Houses and signed by the President. This includes nine laws passed in April and 18 in May. Many of these were legislative cats and dogs.

Among the May measures passed were transfer of Vermont Agricultural College lands, transfer of Tuskogee Institute lands, transfer of certain Louisiana lands to the police jury of Rapides parish for holding of agricultural fairs. Also, authorization for sale of R. F. D. route maps, authorization for the Navy band to play at Confederate veterans' convention in Norfolk, authorization for appointment of District of Columbia police and fire departments to civilian defense posts. And so one.

* * * *

High Level Officials Tied Up

Concentration on the MacArthur case also ties up State and Defense Departments. Top brains in both organizations have been spending much of their time preparing statements for Secretaries Acheson and Marshall and the Joint Chiefs of Staff. Bureaus with many pressing problems needing prompt decision have met with many delays. Testimony has to be carefully studied down town to prepare for possible cross-examination in case witnesses are called back for second or third appearances on Capital Hill.

* * * *

Equality Under Law

Pretty little Mrs. Ethel Murrell of Miami, Fla., new president of the National Women's Party, says that as a lawyer she will never take a case to defend a woman just because she is a woman. "It isn't equality between men and women that we're working for," she says. "It's equality under the law. I want to end the condition under which women who marry become legal nonentities."

* * * *

Copyreading Important

Assistant Secretary of State Dean Rusk apparently got himself in trouble over his China policy speech by failing to follow one of the first rules of the newspaper business. This is to have some copy editor always read everything that goes into the paper. No matter how good a writer is, he can't catch all his own mistakes.

Secretary Rusk, as officer in charge of Far Eastern Affairs, has himself been doing all the copy reading on China area speeches written by others. He has been a tough editor. He has made a lot of people sore by insisting on changes in copy to make speeches conform to policy. When it came to writing his own speech, he thought he could edit it too. That's where he slipped.

* * * *

Help for Iran

Iran, which got the first technical assistance under the Point Four program, is just now beginning to benefit from this aid to under-developed countries. There are six American technicians in Iran now. Three are agricultural advisers, two public health workers and one a social security adviser. Present plans call for building up the staff to 20 or 30 by the end of the year. In addition, State Department has made a contract with Near East Foundation for village improvement. It is now working in some 75 rural communities.

Biggest batch of Point Four aid has been flown over to fight malaria and grasshoppers. Twenty tons of DDT have been sent over to kill mosquitoes in Caspian Sea malaria areas inhabited by two and a half million people. For grasshopper control, a contract was made with U. S. Overseas Airlines to spray several thousand square miles with Aldrin, a new poison. Two ounces diluted kills all grasshoppers in an acre.

* * * *

Wilson Plenty Tough

Defense Mobilizer Charles E. Wilson's infected foot, which is keeping him incapacitated for several weeks, is his third recent serious accident. First he hurt his leg in a fall off a lecture platform at Atlanta. Then he seriously hurt his back in a fall across an airplane arm rerst, after an air pocket lurch of the plane had lifted him from his seat and thrown him against the ceiling of the cabin. This was in a GE company plane, flying frmo Schenectady to Cleveland. The infected foot came from a cut on the leg, sustained after a fall while getting out of a plane at Washington. Being a tough customer, Mr. Wilson never likes to admit he's hurt or sick. Doctors are having a time of it making him stay off his feet till the infection is completely gone.

* * * *

Legion Picks Ex-Johnson Partner

American Legion's king makers have picked 34-year-old Donald R. Wilson of Clarksburg, W. Va., as the next National Commander. He is a law partner of former Defense Secretary Louis Johnson, who also comes from Clarksburg and was a former Legion commander himself. Wilson went into World War II as a private and came out a captain in Judge Advocate General's department. He served in Europe, Africa and Middle East.

Wilson was nominated to head the Legion next year at a recent meeting of Legion big shots. A pool of state commanders and their representatives was taken. Wilson won the straw vote and other candidates dropped out, apparently deciding to try for the office another year.

The cost of campaigning for the job is now extremely high. If a candidate thinks he hasn't much chance of election, he is likely to stop spending his money. Wilson himself was a candidate in 1949, but dropped out when the going got too tough. He has held many important committee assignments in the Legion.

Lee County Homemakers

By JUNE PILGRIM

While Miss June Pilgrim, Lee County Home Adviser, is attending a three weeks special extension in service training course at Colorado A&M college, Ft. Collins, Colo., Miss Pat Sheldon, Lee county's assistant home adviser, will write her homemakers column.

Miss Pilgrim reports that she had a very enjoyable trip driving out to Fort Collins, Colo., to attend summer school. She was looking forward to starting classes which took place the first part of the week.

Painting Outdoor Furniture

Have you checked your outdoor furniture and discovered that it needs a coat of paint this year. When you paint outdoor furniture, remember that special steps are necessary when the furniture is metal.

Be sure to remove all loose or peeling paint before you begin the job. Use emery cloth or sandpaper to remove the loose paint or rust. Buy a paint made especially for metal, and be sure to follow the directions carefully for marred spots. If any paint is loose, take all the loose paint off and repaint the spots. Then re-do the entire piece of furniture.

Some precautions are necessary when you do any painting job: If you scrape or sandpaper lead-painted surfaces, do not inhale the dust. Do the job in a well-ventilated room or out of doors.

Keep your skin as free as possible from paint, and clean your hands thoroughly before eating. Use oil or grease to remove most of the paint, and then wash with soap and water.

Food Safety Rules for Picnic

When it's picnic time for your family, tuck a few safety rules as well as food into your picnic basket.

Remember food should be ice cold or very hot—never lukewarm—if it must be held for any length of time before eating.

Lukewarm food provides an ideal place for the growth of bacteria that may cause food poisoning.

Creamed foods and those that contain mayonnaise or salad dressing spoil readily. Simple precautions will prevent that spoilage. For example, if you're serving potato salad, take the unmixed cold ingredients to the picnic area. Then just before eating time, prepare the salad.

Don't write creamed dishes into your picnic menu. Plan to serve food that can be prepared at the picnic area and then eaten immediately.

Cold Jelly Method

Save time in making jelly by using the so-called cold method rather than the boiling technique. You'll get an especially flavorful jelly.

Mrs. Pearl Janssen, foods specialist, University of Illinois College of Agriculture, explains the cold jelly method. Just warm the fruit juice, add the sugar and stir until all of the sugar is dissolved. Pour the mixture into sterilized glass jars, and cover with paraffin.

Choice of fruit is most important when you use this method. It must be a fruit that has a goodly amount of acid and pectin. Good color and flavor are also necessary.

Blackberry and grape juices are commonly used for this jelly-making method, Mrs. Janssen says. Another combination is raspberry and apple juices. The raspberry juice adds flavor as well as color.

Use one and one-half cups of sugar to one cup of juice. This proportion is correct when you have the recommended fruit juice that is high in acid, pectin, color and flavor.

Serve Milk Drinks

Be prepared for your youngsters' steady demand for between-meal snacks now that school is out. And take this chance to give them nutritious milk drinks.

Easy to make, these milk drinks take only mixing or beating. To make a banana milk shake, simply slice a ripe banana into a bowl and beat with an egg beater or mixer until smooth and creamy. Add milk and mix well.

If your children want more flavor in this milk drink, add orange or pineapple juice. Or you can make a richer drink by adding several tablespoons of vanilla ice cream.

While strawberries are in good supply, prepare some colorful berry drinks. Squeeze the juice from fresh berries that have been sweetened with one part sugar to two parts fruit. Then use one cup of juice to one quart of milk and serve cold.

Make many different milk drinks, using your youngsters' favorite fruit. These between-meal "treats" will help to give them their daily quart of milk.

Here are several recipes for salad dressings that you might be interested in trying:

French Dressing

1 t. salt — 3 T. vinegar
½ t. paprika — ½ C. oil

Tomato Dressing

Just add ¼ C. tomato juice to a recipe for French Dressing.

Thousand Island Dressing
(Variation of Mayonnaise)

1 C. Mayonnaise — 1 T. Chopped red peppers
¼ C. Chili sauce
1 T. Chopped green peppers — 1 t. Paprika
1 t. vinegar — 3 T. catsup
1 T. Chopped Chives

Dinner Given for Carrol Schumacher

An After Graduation dinner was given Thursday evening by Mrs. Herbert Schumacher, 209 East McKenny st., honoring their son, Carrol, who recently received his bachelor of arts degree in economics at Beloit college, Beloit, Wis. Carrol is leaving Sunday on a three week's western vacation trip with two of his fraternity brothers from Beloit.

Guests at the dinner were: Mr. and Mrs. Orville Albright, and Mr. and Mrs. William Smith, and Nancy, Dixon; Mr. and Mrs. Arthur Clayton and son and daughter, Ronald and Joy, and Jimmy Lowe, Franklin Grove, and Mr. and Mrs. A. P. Taylor and son and daughter, Dick and Judy of Polo.

Dixie Girls

When the Dixie Girls 4-H club met at the home of their junior leader, Beverly Drew, the announcement was made that there would be no tour of the University of Illinois campus this summer because no transportation was available. A custard demonstration was given by Carrol Shippert. Mary Louise Bryan gave a demonstration on stitching before folding the hem, Mary Ann Slonsky's demonstration was how to rip a seam for casing; Carole Chandler told how to put in a hem and Beverly Drew demonstrated how to put in a sleeve.

Girls taking cakes for their project had a discussion on cake baking questions. A salad demonstration was given by Donna Whaley and Kay Fulfs gave a reading.

Refreshments were served by Donna Burch, Mary Kay Knicl, and Janice Law. The next meeting will be June 28, at the home of Carrol Shippert at 1:30 p.m.

Rosemary Maloney Bride of Kenneth Bontz at Amboy

Following a two weeks honeymoon to Denver, Colo., newlyweds Mr. and Mrs. Kenneth Bontz will be at home in a newly furnished apartment in Dixon. Mrs. Bontz is the former Rosemary Maloney, daughter of Mrs. Mary Maloney, 707 Highland ave., Dixon and the bridegroom's parents are Mr. and Mrs. Louis Bontz, Harmon. Rev. Norman C. Miller officiated at the double ring ceremony Saturday, June 16 at noon at the Amboy Methodist church.

Mr. and Mrs. William D. Maloney, Dixon, who attended the couple were the only attendants at the wedding. The bride wore a white silk shantung suit with pale green accessories. Her corsage was an orchid.

Shower Honoree

Mrs. Bontz was honored before her marriage by her co-workers at the Nachusa Hotel dining room at a miscellaneous shower held at the Hotel. Mrs. Charles Tuttle was hostess for the party.

Plan Full Day For 4-H Camp

4-H Day Camp will be held Monday, June 25 at Lowell park, Dixon. There will be a sack lunch at noon. Following is the program.

10:00-10:30 a. m.—Registration—Mixer.
10:30-11:30 — Hike — Nature study.
12:00-1:00—Sack lunch—singing.
1:40-3:00 p. m.—Recreation and handicraft.
3:00-5:00—Recreation and handicraft.
5:30-6:30— Stew supper and song fest.
6:30-7:00—Busines meeting.
7:00-8:30—Evening program — stunts.
8:30—Candlelight ceremony.

WOOSUNG WOMAN'S CLUB

The Woosung Woman's club will meet Wednesday, June 27, for an afternoon meeting at the home of Mrs. William Spangler, Woosung.

Crows have been known to fly as high as 6000 feet.

Mr. and Mrs. Frank Muhleback, 1010 Sixth st., Dixon, announce the engagement of their daughter, Lucille May, to Eugene S. Book, son of Mr. and Mrs. Lawerence Book, Woodlawn Rd., Sterling. The wedding will take place early in the fall.

Bridal Shower Is Given for Mildred Baker

One of several bridal showers for Mildred Baker, who will be married on July 8 to James Cully, was held at the home of Donna Streibich, daughter of Mr. and Mrs. Amos M. Sharp, 817 North Brinton avenue, Friday night.

Hostesses were Betty Lou Newman, Peggy Rhodes, Pat Kerst and Donna Streibich.

Individual corsages were had for the guests, and the luncheon table was decorated in pink and white with a pink and white colonial bouquet as centerpiece, which was presented to Miss Baker.

Refreshments were served and Dubbs bridge was played with low score going to Jacqueline Praetz and high to Rose Maloy.

Guests were Pat Wadsworth, Joan Hill, Jackie Praetz, Conny Saari, Margaret Curran, Jeanne Anderson, Judy Jones, Mary Lee Scales, Mary Anne Cahill, Donna Drew, Joyce Schleuter, Pat Kerst, Peggy Rhodes, Betty Lou Newman, Donna Streibich, Betty Berrettini, Rose Maloy, Mrs. Willis Baker and Mrs. Amos Sharp. Jean Kerz was unable to attend.

Brownie Day Camp Opens This Monday

The Brownie Scout day camp at Camp Ralston wil begin Monday, June 25. Buses will leave North Central, Loveland and Lincoln schools at 9 a. m. and return at 3:30 p. m. Girls are to carry their supplies and a sack lunch for the first day.

The camp will be under the direction of Mrs. R. P. Luedtke. Senior Scouts and helpers are assisting.

Bradford Unit Welcomes Guests At Recent Meet

Thirty-one members attended the recent meeting of the Bradford Home Bureau in the Legion room, Ashton, to hear the major lesson, "Living Democratically with the Family", given by Mrs. Dorothy Reitz and Mrs. Zeta Hackman. The minor lesson, "Cake Fillings," was given by Mrs. Olive Vaupel and the health lesson was given by Mrs. Hazel Hart.

Three 4-H girls were guests and Janet Vaupel and Rozella Gonnerman demonstrated the making of muffins. Lois Jacques talked on picnics and picnic supplies. Other guests at the meeting were from Ogle and Winnebago counties and Ashton and Reynolds, Ill.

Lunch was served by the hostesses: Mesdames Vaupel, Ulferts, Schnell and Ulrich.

Birds posses both the keenest and farthest-sighted vision.

Mrs. Gertrude Butler of Ashton is announcing the approaching marriage of her daughter, Orva June, to Clarence W. Heibenthal, Jr., son of Mr. and Mrs. Clarence Heibenthal, Ashton. The wedding will take place at 2 o'clock Sunday afternoon, June 24.

Social Calendar

Tonight

Dinner-dance at the Dixon Country club. Dinner, 7:30 o'clock and dance at 9:30.

Sunday

Annual Rhodes reunion at Lowell park.

Two Ball Foursome at Plum Hollow. 2:30 p.m. All-member scramble supper.

11th annual homecoming at Hillside school.

Past Noble Grands picnic at Lowell park. Dinner at noon.

Monday

Four-H Day camp at Lowell park.

Mrs. Johnston, Dixon, Presides At Club's District Board Event

The 13th District board meeting of the Illinois Federation of Women's clubs was held Thursday at Lanark with Mrs. Charles Johnston, Dixon, presiding. This was the regular summer session to acquaint new presidents with the projects of the federation.

It was decided to have an honor roll system whereby each club could check themselves to know how they stood in federation work. These projects include: Aid for exceptional children; art camp; cancer research; mental hygiene; occupational therapy; Indian scholarships; music camp; Penny Art Fund; Park Ridge School for Girls; Lincoln Lodge and Veterans. Board meetings for the coming year were planned for Rochelle, Sept. 20; Chadwick, March 13, and Stockton, June 12. The convention will be held in Freeport in April.

Special emphasis was placed on the importance of entering the "Build Freedom With Youth Contest." The entry date has been extended to June 30. Each club is asked to enter the contest even if they plan the details of their work later.

The state convention will be in Chicago, May 6, 7 and 8. The general convention will be in Minneapolis, May 12-16. A regional conference will be held in one of the Chicago suburbs during the week of October 8.

Dixonites Attend

Those attending from Dixon were: Mrs. Johnston, Mrs. Wilber Fulfs, recording secretary; Mrs. William Wolf, corresponding secretary; Mrs. L. N. Deutsch, program bureau chairman and Mrs. R. F. Krahler, vice president of the Dixon club.

Mt. Morris Pair Visit Canada on Honeymoon Trip

MT. MORRIS—Charles Towns and Mrs. Irene Lizer were united in marriage Friday evening, June 8, at the home of Mr. and Mrs. Arnold Fleming. Rev. Alfred Stone officiated at the ceremony in the presence of the immediate families of the couple. They were attended by the bride's daughter, Mrs. Duane Hagemann, and the bridegroom's brother, Lyle Towns.

Refreshments were served, after which the newlyweds left for a three week's trip through the east and Canada. They will spend two weeks in Endicott, New York, where Towns will attend an IBM school. Upon their return they will be at home on South Seminary av.

Renew Liquor Permits in Lee Taverns

All beer and liquor licenses in Lee county were renewed Friday by the county liquor commission.

At its annual meeting the commission renewed seven class A liquor licenses, two for clubs and four for beer only. Charles Kuebel, Sublette, chairman of the county board of supervisors, is also chairman of the liquor commission.

Wife of Famed Conductor Dies

MILAN, Italy, (AP)—The death of Carla Toscanini, 75, wife of Maestro Arturo Toscanini, was announced today by the Italian radio.

She had been ill here for a long time. Her husband and her son, Walter, were at her bedside.

Mrs. Toscanini, who had a heart ailment, recently was given the Catholic church's last rites.

Her husband, the great conductor, arrived in Milan last April 6 to be with her. Her son Walter arrived this month.

She and Toscanini were married in 1897 at Congeliano Veneto, in northern Italy. Toscanini then was 30 years old, already well known in the music world.

MARKETS

Chicago Livestock

(By the Associated Press)

Salable hogs 500, total 2,000 (estimated); compared week ago: butcher under 230 lb. mostly 25-40 higher; heavier weights steady to 50 lower; sows 25-50 lower. Prices reached the highest levels since February but settled off at the week end. Week's top 23.85, closing top 23.75. Most 180-230 lb. weights closed at 23.25-23.65; 240-280 lbs. at 22.00-23.00; 290-330 lbs. at 20.75-21.75 and 425 lb. butchers 19.25. Sows 450 lbs. and less closed at 18.75-20.50. Few 20.75, with 450-600 lbs. mainly 18.00-19.00.

Salable cattle 100 (estimated); total not given; compared week ago: receipts 20 per cent larger than last week but 10 percent under the same week a year ago; fed steers and yearlings predominated, killing quality largely high good to prime; slaughter steers and heifers mostly 50 lower; cows and bulls unevenly weak to 1.00 lower, most decline on utility cows; vealers 50 to mostly 1.00 higher; stockers and feeders firm; modest supply prime fed steers 38.25-38.50 but only two loads sold above 38.35, bulk high choice and prime fed steers and yearlings 36.25-38.00, extremes in weight being 900 lbs. and 1450 lbs., bulk good and choice steers and yearlings 32.00-36.00, utility to low good kinds 27.00-31.75, load 865 lb. commercial grass steers to 30.50; few loads prime heifers 36.50-38.35, bulk good to low prime fed heifers 32.00-36.40, utility and commercial kinds 25.00 - 31.00; commercial cows 27.75-31.00; most utility cows late 22.75-25.50, week's bulk canners and cutters 19.00-23.00, few strongweight Holstein cutters to 24.00; utility to good bulls 26.50-31.00; prime vealers 40.00, bulk high commercial to choice vealers 38.00-39.50, most cull to commercial kinds 28.00-37.00; good to choice 400-550 lb. steer calves and light stock steers 34.00-38.50, choice quality partly fattened 945 lb. feeding steers 35.25, medium 800 lb. "green" steers 32.15.

Salable sheep 100 (estimated); total not given; compared week ago: native spring lambs got keen small local killer competition and closed 1.00-1.50 higher; old crop shorn lambs and yearlings 50 higher; sheep steady to weak; practical top choice and prime springers 34.50; odd head 35.00 and better to city butchers but big packers continued to bid below 34.00; bulk good to prime springers 33.00-34.50; good to prime No. 1 skin shorn lambs topped at 32.50; yearlings 31.50; bulk mixed shorn lambs and yearlings 9.50-32.00; bulk good to choice mixed weight slaughter ewes 6.50-17.50; top 17.75; heavy fat we cossignments 16.00-16.50; cull wes mostly 15.00.

Unofficial estimated livestock receipts for Monday: hogs 12,000; cattle 11,000; sheep 1,000.

Expect Soviet Peace Plan in Malik's Speech

UNITED NATIONS, N. Y., (AP)—Russia's Jacob A. Malik is expected today to blast American policies in Korea and offer a peace plan already rejected by the United Nations. The Soviet delegate will be heard in a recorded speech to be broadcast over the radio.

The Soviet deputy foreign minister, president of the security council this month, is scheduled to be heard over the Columbia Broadcasting System in the New York area at 4:15 (CDT) today and in the remainder of the U. S. over CBS an hour later.

His declaration has been recorded in Russian by the United Nations and forms a part of a series of talks by U. N. delegates on "The Price of Peace." The U. N. will send recordings of it for broadcast around the world, as it did with other talks in the series.

Promoted

WACO, Tex.—John L. Blum, son of Mr. and Mrs. Carl J. Blum, Dixon, has been promoted to sergeant, headquarters flying training air force announces.

Sgt. Blum was transferred here from Air Training command headquarters at Scott air force base, when FTAF was organized in Waco May 1.

He is a clerk in the statistical services division of FTAF.

Marriage Licenses

Marriage licenses were issued Friday by County Clerk Sterling D. Schrock to Clarence William Heibenthal Jr., 22, and Miss Orva June Buter, 17, both Ashton; Ernest J. Atkinson, 22, and Miss Anita M. Hopkins, 21, both Dixon, and Edwin H. Pierce, 23, Rochelle, and Miss Crescence E. Studeble 18, Ashton.

Draft 9 June 26

Nine Lee county men will be inducted into the army on June 26, local Selective Service board announced today.

40 and 8 Stag

A public stag will be held July 15 at the Sportsman's park, Grand Detour, by the Lee county voiture of the 40 and 8, it was announced today. The voiture sponsors this public event annually.

OBITUARIES

MRS. EMMA J. BUTLER

ROCHELLE—Mrs. Emma J. Butler died of a heart attack Friday while a passenger in a car driven by her son, Merle.

She was born March 26, 1893, in Reynolds township. She was married to Boyd Butler Dec. 11, 1913. In 1947 she moved from Ashton to Rochelle.

Survivors include three sons, Merle and Bunnell, Rochelle, Allen, an air force private; two daughters, Mrs. Lorea Engekes, Rochelle, and Mrs. Arlene Anglemier, Champaign.

Services will be 2:30 p.m. Sunday at the Evangelical church, Ashton.

BENJAMIN F. DUFFEY

POLO — Funeral services for Benjamin F. Duffey will be held Sunday at 2:30 p.m. from the Melvin funeral home, the Rev. K. E. Irvin officiating. Burial will be in S. Elkhorn cemetery.

Friends may call tonight at the funeral home.

CUBS TO MEET

Cub Pack 324 will meet at 7:30 p. m. Tuesday at Loveland Community House to discuss the Cub-Dad weekend. The Pack committee will meet at 7 o'clock.

Brief Notes From Walton

WALTON—Mary Lou Bishop, Aurora, is spending a few weeks with her grandmother, Mrs. Gertrude Carrington.

Mrs. John J. Morrissey and son, Gene, were callers in Amboy this week.

Attend Wedding

Mr. and Mrs. Joseph Burke and family, Maytown, and Mrs. Patrick Lally, West Brooklyn spent Wednesday morning in Walton and attended the Dempsey-Finn wedding.

Walton Visitors

Miss Julie Morrissey is visiting in Aurora at the John Schuler home.

Mr. and Mrs. Charles Bishop and family spent the weekend at the Gertrude Carrington home.

Dixon Shoppers

Miss Josephine and Miss Elizabeth Halligan were Dixon shoppers last week.

Mr. and Mrs. Marvin Oester were shoppers in Dixon last week.

Walton Callers

Mr. and Mrs. John J. Blackburn were callers in Dixon last week at the home of Mr. and Mrs. Cecil Kellen.

Mr. and Mrs. Glade Lower and daughter, Walnut, spent the weekend at the Edward Morrissey and Leo Bushman homes.

Wedding Dinner

Mr. and Mrs. Lawrence Dempsey, Harmon, entertained at dinner Tuesday evening for the bridal party for the Dempsey-Finn wedding. A chicken dinner was served the 10 guests.

From Dixon

Mrs. Charles Gillan and daughter, Patricia, Dixon, were callers in Walton Tuesday.

Wedding Guests

Miss Millie Moore and Rosemary Blackburn, Dixon were among those who attended the Dempsey-Finn wedding in Walton Wednesday.

South Dakota Wedding

John Shannon, former resident of Walton, and Kathleen Miller, Edgemont, S.D., were married June 9. Mr. and Mrs. Richard Stephenitch, Mendota, and Mr. and Mrs. Louis Shannon attended the wedding.

Walton Notes

Miss Joan Morrissey, Evanston, and her mother, Mrs. Edward C. Morrissey were callers Monday on Anna J. McCoy.

Mrs. William Oester and Mrs.

Besides the father and the boy who was injured there were two other Kyker children in the car, Patrick, 1, and Regina, 5. The child sustained a possible concussion, bruises and abrasions. Kyker was driving north toward Polo on a shopping tour at the time of the accident.

Polo Child Hurt When He Falls From Family Car

POLO —A two-year-old Polo farm child was reported in "good" condition today at KSB hospital after he fell head first from a moving car Friday morning.

Michael Kyker, son of Mr. and Mrs. Winford Kyker, Rt. 3, Polo, plunged into the middle of the Lowell park blacktop road five miles southeast of Polo and into the path of another car.

However the second auto was traveling slowly and the driver managed to pull off onto the shoulder without striking the child. Kyker said he was driving about 30 miles an hour when his son fell out the left rear door of the car.

Edward Ackert spent Wednesday in Maytown.

Mrs. Louise Bushman, Amboy, spent the weekend with relatives in this vicinity.

Mrs. Nellie McCoy, Amboy, spent last week at the William

From the PRESS BOX At Camp Ralston

Friday morning found many sleepy little girls trying to arouse themselves from a few hours of sleep. A whisper here and a whisper there and then gradually getting louder and louder until everyone in Harvey hall was wide awake. What a night! There were a few night owls here and there among the Scouts, so its almost midnight before all were sound asleep. Shirley Spotts gets the gold star for being the first one asleep with Louise Tavennar running a close second. But the 12 girls had counselors in the three tents near Harvey hall are way down the list, namely LaVerne Rorer, Cece Jones and Pat Pieschel. These girls decided on a party after all were tucked in and invited Mary Dixon, Betty Fane, Pat Pieschel, Julia Ortgiesen and Barb Buckley. Pop and candy bars were served (think it must have been giggle soup) and then talk, talk, talk. This little get-to-gether will long remain in their memories as a pleasant one.

* * * *

The same group of girls were awakened at an early hour by some of the other girls in tents, Vedeen Smothers, Nancy Gardner, Jan Nelson, Susie Hall, Nancy Drew and Donna Helfrich. And did they get heck? I'll say. LaVerne Rorer threatened them with washing all the breakfast dishes if they didn't go back to sleep. Things really quited down. Mary Dixon and Betty Fane and Mrs. Knelson watched over Harvey hall. Marva Bivens, Sue Gardner and Kathleen Rock camped in the dining hall (bet they made coffee at a late hour). Director Luedtke was a Pioneer assisted by Mary Lou Loftus, Roberta Harkins and Pat Schauf. Bonnie Schuler wasn't rating so well this morning when she awakened five tired girls at 6:45 in Pioneer.

* * * *

Time for breakfast. Due to the bad weather French toast was made in the kitchen instead of on the tin can stoves, along with bacon and orange juice (second, third and fourth helpings too). The food was served in Harvey hall and at Pioneer. A nice patch of ripe strawberries was discovered this morning and some of the girls enjoyed them for breakfast.

* * * *

Helen Reed was on hand all day. She does the nicest things, and deserves much credit in this camping project. Let's give her a great big Thank You.

* * * *

Now for clean-up time. All bed rolls and sleeping bags were folded and piled neatly on the tables. In a short while everything was in order at Harvey hall, even the dishes were washed. Time for horseback riding and a nature hike. And what a lovely cool breezy morning for both. An ideal camper's day. Betty Fane also took a group of girls down to the creek to play in the sand. She sealed her own doom however, "cuz" Amy Jones and a few others decided to build her tombstone! (Amy Jones has certainly kept things pepped up this week). The Oak Trees spent time at archery.

* * * *

Rain Thursday prevented the Scouts from preparing bean holes, so the menu was prepared at the dining hall. Jack Keagan had demonstrated on Wednesday how these should be made. Mr. Keagan was out this morning bright and early and did the Wipporwills and Sakajewa perk up. Some of them rode back to Pioneer in a classy station wagon. Mr. Keagan taught the Scouts how to bake biscuits when camping. (If this was a sample of his culinary art the Whipporwills and Sakajewas would like to taste his roast duck). All in all, a great week of camping, rain or shine. The girls wanted to show their appreciation in some way for Director Luedtke's efforts in making the day camp a success so they decided on a corsage made of the wild flowers that are in abundance at camp. It was presented to her by Jerry Coffy.

* * * *

Pat Jenkins celebrated her 14th birthday today. The Oak Tree girls made a cake of marshmallows and sang "Happy Birthday".

The flag ceremony was carried out by Lorraine Lourdeau, Helen Ortgiesen, Janet Michael, Joan McAndrews and Sue Etnyre. It was with regret that the lowering of the flag brought the last day of camp to an end.

* * * *

All lost articles were being claimed and in a hurry at the lost and found in the dining room —Jane Pires seemed to have lost everything. The girls were rushing around gathering all their supplies trying to be on time for the buses. Some were so loaded down with blankets and sleeping bags and sacks they could hardly make the steps. Now for a last farewell to the camp, thanks to everyone, director staff, leaders, and helpers—YOU made it a success. These girls are proud to be a DIXON Scout. Bye now, see you next year.

Donald Cotter Now Sergeant In Puerto Rico

CAMP TORTUGUERO, Puerto Rico—Cpl. Donald E. Cotter, 20, son of Mrs. Mary Hackbarth, Rt. 1, Sterling, has recently been promoted to the rank of sergeant in the Army.

Sgt. Cotter is assigned as an English instructor at the recruit training center here. The RTC at Camp Tortuguero is the largest training center in the Caribbean area, and provides basic infantry training for thousands of young Puerto Rican soldiers.

Following his attendance at Sterling Township High School, Sgt. Cotter enlisted in the army in March, 1948. He was sent to Ft. Knox, Ky., for his basic training and then was assigned to the 33rd Infantry regiment at Fort Kobbe, Panama Canal Zone.

Sergeant Cotter arrived in Puerto Rico in November.

House-Passed Measure Will Be Cut, Word

Republicans Plan To Trim Spending In Federal Agencies

WASHINGTON—(AP)—Senate leaders said today they hope to soften the impact of a whopping $7,200,000,000 tax boost approved yesterday by the house. But they were cautious about predicting any sizeable cuts.

The tax bill, largest single revenue measure ever laid before congress, would:

1. Add 12½ per cent to the income taxes of individuals, to raise an additional $2,847,000,000 a year.

2. Place an additional $1,252,000,000 in excise taxes on gasoline, automobiles, cigarets, liquor, beer and other items.

3. Add $2,855,000,000 a year to corporation income and excess profits taxes.

4. Raise $245,000,000 a year through a variety of changes in the tax law structure.

Senator George (D-Ga), chairman of the senate finance committee, said he thought the bill may be unduly harsh in its present form especially to unmarried income tax payers who contribute to the support of relatives but are not permitted to claim dependency deductions in figuring their taxes.

Predicts Pruning

Final size of the bill, George said, will depend on the extent to which congress uses a pruning knife on multi-billion dollar appropriation bills in the next several weeks.

He said congress "ought to cut the spending by at least $6,000,000,000," but he was not optimistic that any such reduction would be made.

However, George said, "If we can do that we can get by with a $5,000,000,000 tax increase instead of the figure proposed in the house bill."

He expressed doubt that the senate will agree to make the individual income tax increases effective "before about Oct. 1," a month later than the house proposed.

End to End

Senator Millikin of Colorado, ranking Republican on the committee, told a reporter: "You can be sure the committee will ransack the bill from end to end, and that when we get through it will be geared to government spending and what the economy can stand. It may be somewhat less than the house totals.

The cigaret tax would rise from seven cents a package to eight cents; the tax on automobiles from seven per cent of the manufacturer's price to 10 per cent; on whisky and other hard liquor from $9 a 100-proof gallon to $10.95; beer from $8 to $9 a barrel; gasoline from 1½ cents a gallon to 2 cents.

Corporation tax boosts would work this way:

On the first $25,000 of income, the levy would rise from 25 per cent to 30 per cent. On income exceeding $25,000, the combined normal and surtax rate would go up from 47 per cent to 52 per cent. The effective maximum rate of the excess profits tax would be lifted from 77 per cent to 82 per cent.

More Profits Tax

The bill also would subject a bigger percentage of some firms' earnings to the excess profits tax, by lowering their exemption credits from the existing 85 per cent level to 75 per cent of average 1946-1949 earnings.

The government could take up to 70 per cent, instead of the present 62 per cent, of a company's earnings in combined normal taxes, sur-taxes and excess profits taxes.

The house proposed that the changes in corporation taxes be made retroactive to Jan. 1, 1951

The house bill would exempt baby oils, powder and lotions from excise levies, repeal the federal tax on electrical energy, and cut the federal tax on telegrams from 25 per cent to 20 per cent.

Tax on Gamblers

The measure calls for a 10 per cent tax on the "take" of bookmakers, numbers and lottery operators, and a $50 a year occupational tax from professional gamblers and their agents or runners. Heavy penalties are provided for evasions.

The bill would lift the effective maximum rate of the capital gains tax from 25 per cent to 28½ per cent, but home owners would not have to pay the tax on any profit from the sale of their residences if they reinvested the profit in another home within a year.

The "single" taxpayer with family responsibilities, such as a widow with dependent children would be allowed one-half of the income tax benefits available to married couples through income-splitting.

In a move to plug a revenue leak, the measure would provide for withholding at the source of 20 per cent of all dividend and royalty payments, and some interest payments. The amount withheld would be applied against the payee's income tax.

Here Are Some Known Facts About Infantile Paralysis

By FRANK CAREY
Associated Press Science Reporter

WASHINGTON, (AP) — The question of which polio treatment is best is a tough one—but so are the questions surrounding the mysterious polio bug itself.

It has never been seen, even by the most powerful microscopes. There is only indirect evidence as to its size. It's estimated that 25,000 germs could fit on the head of a pin.

The risk of a severe polio attack lessens sharply after a child passes age 10. Beyond the age of 20 there is only about one case in every 100,000 population even during extensive outbreaks.

Rarely Attacked

Adults rarely suffer a severe or recognizeable attack, scientists say, because the vast majority of people are believed to have had polio in a mild form and thus gained a practical immunity to it without ever being aware of it.

It's virtually certain that the disease is transmitted by "human contact." But it is still unknown whether the contact is always direct. Flies and other insects have been suspected as possible transmitters of the virus, but no insect has been definitely incriminated.

It is not entirely settled as to how the virus enters the body, although the strongest evidence points to the mouth and nose.

No Known Drugs

No known drug—not even any of the so-called "wonder drugs" like penicillin—can directly attack the virus itself.

For lack of chemical or other weapons to fight the virus directly, doctors generally attack what they term the "symptoms" rather than the disease itself.

Disciples of the Kenny concept of polio believe, however, that treatments primarily designed to combat effects of the virus may also have some effect on fighting the virus itself.

Sister Elizabeth Kenny contends that the virus can directly attack muscles and other parts of the body. The general medical concept is that the virus attacks only the central nervous system and that muscular effects are secondary.

Here Are Precautions

What can you do if the disease should strike your community?

1. Avoid becoming panicky.
2. Observe the precautions you would observe against any communicable disease.
3. Avoid over-fatigue.
4. Observe personal cleanliness.
5. Avoid sudden chilling.
6. If possible avoid tonsils and adenoids operations during an epidemic.
7. Watch your children for symptoms of headache, moderate fever, stiff neck, muscle weakness and listlessness.

Personals

Mr. and Mrs. William Owens, Chicago, are spending a few days with his mother, Mrs. Ruth Owens.

Mr. and Mrs. C. Clausen and daughter, Frances, have returned home after a visit to Pennsylvania. Points of interest visited were: Gettysburg, Ft. McHenry, Valley Forge and Independence Hall in Philadelphia, Pa. Mrs. Clausen reports the loss of her dog, Ginger, upon the arrival from their vacation.

Miss Esther Benson, Denver, Colo., daughter of Mrs. Lydia Benson, Dixon, is spending this weekend with her mother and brother, Harland and family.

Prof. John P. Nagle, Pullman, Wash., arrived Friday to visit his mother, Mrs. Catherine Nagle, Woosung.

MAKE YOUR OIL GO TWICE AS FAR!

REPLACE YOUR OLD BURNER NOW with the oil-saving Winkler LP* . . . a sensational new oil burner development.

FREE HEATING SURVEY

SEE THESE AMAZING PROOFS

Seeing is believing. Come in today and watch the Winkler LP* burn—

1. Crankcase drainings
2. Mixed oil and water
3. Hard-cracked oils

Do you know that you may be wasting as much as 50% of your fuel oil? The chances are; if you live in the average size home; that your oil burner is oversized to prevent nozzle-clogging. This means that heat is wasted up the chimney—oil burned needlessly.

The low pressure Winkler LP* Oil Burner prevents this extravagant waste of precious fuel because it can be sized exactly to the heat-absorbing capacity of your boiler or furnace. It will save up to 50% of your present fuel consumption.

The Winkler LP* saves amazingly on service, too—its design is utterly simple and dependable.

Dixon - Brooklyn Game Tops Sunday Slate

HUGH'S VIEWS of SPORTS
BY HUGH HOUGH

George Covert, Dixon's Mr. Tennis, thinks Al Newcomer may some day be the best tennis player Dixon has produced.

THAT'S A BIG ORDER for the slim Dixon high school player who still has another year of prep eligibility, but Covert thinks he's up to it.

"If he can go to college and keep working on his game he could be the best," Covert said recently. "He already hits the ball squarer than I did at his age."

NEWCOMER FINISHED second in the North Central conference singles competition this spring. Only Floyd Acker, Dixon's four-year veteran, could stop Newcomer in this meet, finally winning, 6-3, 6-2.

Last Sunday, Newcomer entered his first competition with the Dixon Beier's team in the match at Rochelle and came away with an impressive 6-1, 6-2 victory over Fred Morris in the singles before pairing up with Dave Livingston to win a hard-fought doubles assignment from Rochelle's Dick Sherwood and Bill Posorske, 1-6, 6-3, 6-4.

* * * *

COVERT STILL is plugging hard for some more tennis courts for Dixon. There is no doubt that they are needed badly. Only a well planned program and some admirable sportsmanship on the part of the players has prevented bloodshed in the rush for the seldom open courts.

Mr. Covert, the man who has done more to build Dixon's tennis program than any other individual, isn't sure how the new courts can be obtained, but he has ideas on the subject.

OBVIOUSLY, THE Park Board is pretty well strapped for money with the swimming pool still on the debit side of the ledger. But there are other organizations in Dixon that may provide some help— at least Covert hopes so.

* * * *

It was almost buried in the weekend rush, but let's get in a word here about the annual Blackhawk District handicap golf tourney which will be held tomorrow in Mendota. Each club sends six players to this event. For local golfers it's sort of a warmup affair for the popular Lincoln Highway tourney next month.

* * *

ACCORDING TO Vern Higgins, the St. Louis Cardinals' scout in Northern Illinois, the Cards may shift their tryout camp from Joliet to Dixon next year in an attempt to attract more of the players in the Northern Illinois area.

* * * *

The Mt. Morris golfers who drubbed Dixon Country club, 39 to 9, last Sunday, will travel to Dixon July 1 to try their luck with another Dixon team when they meet the Plum Hollow swingers in an inter-club match.

* * * *

ARMAND RIOPELLE reports that the baseball game between the Blackhawwk AC and Reynolds Wire scheduled for Dixon on July 1 may be played in Rockford instead, with the Blackhawks returning later in the season. Because of rain and other reasons, the Blackhawks have not played a league game in Rockford as yet.

And speaking of Riopelle, why not watch a good baseball game between the Brooklyn Royal Giants and Rip's Reynolds Wire team tomorrow, and at the same time say goodby to the Dixon manager who leaves for Air Force duty next week?

Cardinal Players Of '26 Assemble

ST. LOUIS, (AP)—Fifteen of the surviving 20 members of the Cardinals of 1926, first St. Louis team to win a pennant and world series, assembled today for a reunion marking the 25th anniversary of their triumph.

Cardinal owner Fred Saigh was host at luncheon for them.

Tomorrow the oldtimers will be introduced to fans at the Cardinal-Boston game here.

Attending are pitchers Jess Haines, Flint Rhem, Bill Hallahan, Syvester Johnson and Bill Sherdel; catchers Bob O'Farrell and Ernie Wick; infielders Jim Bottomley, Jake Flowers, Tommy Thevenow and Lester Bell; outfielders Ray Blades, Chick Hafey and Taylor Douthit, and Coach Bill Killefer. Blades now is Cardinal coach.

Also on hand will be Branch Rickey, the vice president of the club; Bill DeWitt, who was treasurer, and Clarence Lloyd, 1926 traveling secretary.

SADDLER WINS AGAIN

SANTIAS, Chile, (AP)—World featherweight champion, Sandy Saddler, of New York, chalked up another triumph last night on his South America tour. He knocked out Mario Salinas, lightweight champion of Chile, in the fifth round of a non-title bout. Saddler weighed 131, Salinas 138.

DIXON EVENING TELEGRAPH

Dixon, Illinois, Saturday, June 23, 1951 — Page Seven

Dixon Tennis Team to Play At Sterling

With a lop-sided victory over Rochelle marked up, members of the Dixon Beier's tennis team will travel to Sterling Sunday looking for their second league victory.

According to George Covert, team manager, Dixon will be experimenting with some of the younger candidates in Sunday's match.

Two of the Dixon mainstays, Lew Behrens and Bob Wiggins, are not expected to make the Sterling trip.

Last week, Dixon romped to an 8½ to ½ victory over Rochelle in its first tennis competition of the season. It was a surprisingly strong showing by a team that lost some of its balance when reliable players from 1950 were not available this season.

Meanwhile, Covert today took winners and runnersup in the Lions club meet to Rockford today to play against a team of similar players from that city.

Those eligible to play from Dixon follow:

BOYS' MATCHES
SINGLES—First, Henry Utley; second, Benny Sage.
DOUBLES—First, Steve Lindell and Sage; second, Utley and Billy Boos.

GIRLS' MATCHES
SINGLES—First, Jean Buckley; second, Geraldine Adams.
DOUBLES—First, Jean and Barbara Buckley; second, Adams and Mary Gower.

JUNIOR MEN'S MATCHES
SINGLES—First, Al Newcomer; second, Dick Joslyn.
DOUBLES—First, Newcomer and John Kurzrock; second, Joslyn and Jim Boedecker.

JUNIOR WOMEN'S MATCHES
SINGLES—First, Mary Gibson; second, Jean Buckley.
DOUBLES—First, Gibson and Nancy Long; second, Jean and Barbara Buckley.

Rogovin Pitched First Pro Game as Publicity Stunt

NASHVILLE, Tenn.—(AP) — Saul Rogovin, who beat the New York Yankees on a four-hitter Thursday, tossed a four-hitter in his first mound effort as part of a publicity stunt.

The four-hitter wasn't part of the stunt, but the Mound stint was.

Sports Editor Raymond Johnson of the Nashville Tennessean told the story today:

Rogovin was a third baseman with the Chattanooga Lookouts in the Southern Association in 1945. He played 122 games at third, hitting .280 for the season.

One day Joe Engel, president of the Lookouts, in an effort to get more fans out to his stadium, announced that Rogovin would play third base in one game against Birmingham and pitch the other.

Rogovin hurled his four-hit shutout in the seven-inning second game. That is what gave Saul, now one of the White Sox' mainstays, the idea he should switch to pitching.

FLYING CHI—Run, run and then run some more is the theme of the high-flying White Sox. Here Chico Carrasquel comes roaring home, in bouncing style, skidding across the plate ahead of the throw in the series at Yankee Stadium. The catcher is Yogi Berra, the umpire Bill Summers. (NEA)

Haefner, and Palmer Hold Inverness Lead

TOLEDO, O.—(AP)—The 14th Inverness best-ball matches with their razzle-dazzle scoring system, are proving again that the low scorers don't always win golf tournaments.

At the end of three rounds in the seven-match best-ball fray between eight pairs of top-flight professionals, the leaders with a plus 9 count are those canny North Carolinians, husky Clayton Haefner of Charlotte and Johnny Palmer of Badin.

No one is disputing their claim to the top spot, since they've scored 28 birdies and are 28 under par for three rounds. They've scored 62, 62 and 61 over the par 71 Inverness layout in three tries.

But after that, things are a bit jumbled, if you compared scoring ability with the point totals in the race for the $4,000 top prize of the 15,000 jackpot.

As the teams wheeled into today's two rounds, the standings were:

Haefner-Palmer plus 9, Ransom-Devicenzo plus 7, Demaret-Burke plus 3, Snead-Ferrier minus 1, Harrison-Furgol mius 3, Mangrum-Middlecoff minus 3, Fred Haas-Porky Oliver minus 6, and Al Brosch-Pete Cooper minus 6.

Chicago Cards May Take Action in Contract Dispute

CHICAGO, (AP)—The Chicago football Cardinals today were deciding whether to take action against the Calgary Stampeders of the Western Canada Football conference for signing end Bob Shaw as a playing coach.

Shaw arrived in Calgary Thursday night and said he would be a line coach and playing end for the Stampeders.

Ray Bennigsen, Cardinals president, said Shaw signed a 1951 contract with the Cardinals June 12. Bennigson said he would discuss the matter with the club's attorney to determine whether to take action.

Bennigsen said he was "shocked" because "Shaw telephoned me June 9, then came here at our expense June 12 and spent three and a half hours with me, and then signed a contract."

Bennigsen pointed out that as long as Shaw remained in Canada, it would be impossible to take legal action against him. But he said he believed the club could act against the Calgary team. This presumably would be a restraining order preventing Calgary from using Shaw.

Patty Berg to Face Unknown In Western

PHILADELPHIA, (AP) — Red-haired Patty Berg, a cool, calculating professional, and young Pat O'Sullivan, a long hitting amateur, meet today in the 36-hole final round of the Women's Western Open golf championship.

For Patty of Minneapolis, this Western final is old stuff. The chunky lady pro has won the tournament three times. However, it's a brand new experience for the smiling Irish girl from Orange, Conn.

She battled her way into the title round with a surprising 4 and 2 victory over the veteran little Southern pro, Louise Suggs.

The manner in which Miss O'Sullivan climaxed her match with Miss Suggs had drama written all over it. She drove an iron to the 145 yard 16th green and putted to within a foot of the cup. Her ball stymied Miss Suggs who was eight feet from the cup in three. The little Georgian conceded in dismay.

Miss Berg didn't play her best golf in eliminating plucky Marjorie Lindsay, Decatur, Ill., amateur, 5 and 3. In fact, the usually steady Minneapolis golfer, started off as if it wasn't going to be her day.

She lost the first two holes, and although she rallied to draw even at the end of nine, she didn't look like the same Patty who had ousted defending champion, Mrs. Babe Didrikson Zaharias in the second round.

Then it happened. Miss Berg won five of the next six holes that finished Miss Lindsay.

SWIM MARK SET

HONOLULU, (AP)—Ford Konno, Hawaii's sensational 18-year-old swimmer, last night bettered the American record for the long course 800-meter freestyle by 13.2 seconds. He was timed in 9:37.7 in the Keo Nakama swimming meet at Kaikiki natatorium.

FRIDAY'S RESULTS
Dixon VFW 12, Armory 2.
Ashton VFW 16, Ashton Hybrids 5.

Dixon VFW continued its undefeated march through Dixon City softball league play Friday night, drubbing Dixon Armory, 12 to 2, in a five-inning game

In the nightcap, Ashton VFW settled an inter-city rivalry in a one-sided manner, defeating Ashton Hybrids, 16 to 5.

Paul Van Oosten again pitched effectively for the Dixon Vets in the opener. Armory nicked him for only four hits. Two of these came in the first inning, however, and allowed an early run for Armory.

The league-leaders blasted 14 hits in the short contest. Red Sloan had three of these, including a double, and Van Oosten and Lou Carlson added home runs to the effort.

With four runs crossing the plate in each of the first two innings, Van Oosten had a comfortable lead to work with from the start.

Red Unger led the Ashton VFW asault against the Hybrids. He pounded out four hits in four times at bat and scored five runs, also drawing a walk during a busy evening.

Dark Horse Trio, Stranahan Meet in Western Finale

SOUTH BEND, Ind., (AP) — Three play-for-fun hopefuls who never have won a national title and a millionaire's son who has had enough time to win about all of them, are lodged today in the semi-finals of the Western Amateur golf tournament.

Toledo's heir to sparkplugs fortune, Frank Stranahan, set off in quest of his third Western crown against Bob Olson, an awed 23-year-old graduate from Michigan's golf team who finished third in the recent Big Ten links meet and was proud of it.

The other semi-final test sends John M. Hart, Jr., a 22-year-old former Purdue star from Indianapolis against teen-ager Jim Blair of Jefferson City, Mo., son of Missouri's lieutenant-governor.

Blair is a big, jolly 19-year-old lad who hits the ball out of the park and detoured regional universities to play for Oklahoma A. and M.

Seldom in the tournament's history have three such dark horses been corraled in the semi-finals.

Major League Leaders

BATTING (based on 150 times at bat)—Minoso, Chicago, .363; Fain, Philadelphia, .362.
HOME RUNS—Williams, Boston, 14; Robinson, Chicago and Zernial, Philadelphia, 13.
PITCHING (based on five decision)—Gumpert, Chicago, 7-1, .875; Lopat, New York and Feller, Cleveland, 10-2, .833; Dobson, Chicago, 5-1, .833.

NATIONAL LEAGUE
BATTING—Robinson, Brooklyn, .374; Musial, St. Louis, .364.
HOME RUNS—Hodges, Brooklyn, 21; Westlake, St. Luis, 17.
PITCHING—Roe, Brooklyn, 10-0, 1.000; Branca, Brooklyn, 5-1, .833.

HERE SUNDAY

CHARLEY KELLIS, cleanup hitter with the Brooklyn Royal Giants, also plays first base for this outstanding negro team which will meet Reynolds Wire here Sunday at 2:30 p. m.

Ogle Fair to Give $4,800 To Trotters

OREGON—Racing purses at the Ogle county fair, Sept. 1-2-3, will be $4,800, the fair board has announced. Harness races will be held each afternoon and shows every evening.

The first day of racing will include a 2:24 pace with a $500 purse and a 2:24 trot, $500 purse. Second day events are 2:16 pace, $700, free-for-all pace, $600, and 2:20 trot, $600. On the third day will be a 2:16 trot, $600, a free-for-all trot, $600, and a 2:20 pace, $600.

Entries for all events close August 25, and horses must be qualified by 11 a.m. the day before the race.

Night shows will include the White Horse Ranch on Saturday night, Boyle-Wolfolk vaudeville show Sunday night and the Wonder Bros. circus Monday night.

Two sows by the White Horse Ranch may be presented Saturday night depending on the size of the crowd. Most concession space is reported sold.

Rickey's Plan Fails as Kiner Moves to Outfield

PITTSBURGH, (AP)—Branch Rickey's first major experiment with the limping Pittsburgh Pirates fizzled out Friday when first baseman Ralph Kiner moves back to his familiar post in left field.

Kiner shifted to first base in spring training at the suggestion of Rickey, the new general manager who hoped to lift the Pirates from the doldrums of their 1950 last place.

The switch, one of several engineered by Rickey, hasn't helped the club. But it can't be blamed on Kiner, who has done right well considering the abuse he has had to take from Pittsburgh fans.

"They've (the fans) been riding him pretty hard," commented Mgr. Billy Meyer, "probably without realizing he (Kiner) has tried to do much to help our club."

What does Kiner think about returning to the green pastures? He says:

"We've got two good first basement in Jack Phillips and Rocky Nelson. I think the move will help the club both offensively and defensively."

Nelson, obtained from the St. Louis Cardinals, and Phillips will alternate at first base. Meyer will use Nelson against right handed pitching and Phillips against southpaw hurling.

Demon Hanover Turns in New Half-Mile Mark

WESTBURY, N. Y., (AP) — Demon Hanover today held a new world record—3:06 2/5 for a mile and a half over a half mile track.

In the process of setting the mark at Roosevelt Raceway, Demon Hanover captured the first division of the $20,000 David H. McConnell Memorial trot qualifying dash last night.

Driven by Curly Smart, Demon Hanover bettered the record hung up by Proximity in 1949 by one and one-fifth seconds.

Tryhussey won the second division in 3:09. The first five finishers in each division come back for the final next Friday.

FIGHTS

SANTIAGO, Chile—Sandy Saddler, 131, New York, knocked out Mario Salinas, 138, Santiago, 5 (non-title).
HOLLYWOOD, Calif.—Enrique Bolanos, 137½, Los Angeles, outpointed Eddie Chaves, 137½, San Jose, 12.

Esquires Here In Evening Softball Play

Riopelle to Lead Wire 9 Last Time This Season Sunday

Dixon baseball and softball fans are in a full day of play here Sunday.

Highlighting the day's activities will be the baseball exhibition featuring the Brooklyn Royal Giants and Dixon's Reynolds Wire team at 2:30 p. m. on the Reynolds field baseball diamond.

Esquires Here

Sunday evening, at 9 p. m. to be exact, the Dixon VFW All-Stars softball team and its popular pitcher, Bullet Kirk, will meet the Esquires of Rockford, an outstanding colored softball team. A preliminary game will match Polo Central Stamping and Dixon Armory in a City league contest to start at 7:30 p. m.

A second baseball game here Sunday afternoon will match the Dixon Junior Legion team against the Oregon Legion nine. The game will be played on the Dixon State hospital diamond and will start at 2 p. m.

This will be the first game of the season for the local Legion team.

Brooklyn Tough

The afternoon baseball treat will give the high-flying Reynolds team a chance to look at some top-notch competition. The Brooklyn team, made up of outstanding Negro players, has been touring the United States for more than 30 years with consistent success.

Sunday will mark the final day at the helm of the Reynolds team for Mgr. Armand Riopelle—at least for the present. Riopelle must report to Eglin Field, Fla., for duty with the Air Corps on July 1.

For the game against Brooklyn Sunday, he has named John Maynard to pitch for the locals. The Royal Giants may call on any one of five pitchers.

Softball Rescheduled

The softball game between Dixon VFW and the Esquires was arranged this week after Mgr. Art Carlson learned that the Green Front tavern team of LaSalle, the team originally slated to play, had folded.

As usual, cars will be allowed to park around the outfield for the softball games.

12 Nominated for Equipoise Mile

CHICAGO, (AP) — A dozen horses have been nominated for the $25,000 added Equipoise mile today at Arlington Park.

Hasty House farm's four horse entry is the favorite at 8-5. The four are Inseparable, Seaward, Roman Bath and Wine List. Cutty Hunk, owned by Howard Oots and J. C. Brady, and the Walmac Farm's Volcanic also are listed as an entry.

The other six candidates are Mrs. Ada L. Rice's Danada Gift, J. A. Kinard's Johns Joy, which equaled Arlington Park's six furlong record of 1:09 1/5 in the Myrtlewood handicap opening day; King Ranch's Curandero, Mrs. John P. Adams' Miche, Argentine bred; Eugene Constantin, Jr.'s Prop, and J. A. Chambers' Mister Morgan.

With 12 starters, the Equipoise will have a gross value of $28,750, with $19,735 to the winner.

The track record is 1:34 2/5, set by Equipoise in 1932. The stake mark is 1:35, shared by With Pleasure, Star Reward and Oil Capitol. Equipoise's time was a world record until 1949, when Coaltown dashed a mile in 1:34 at Washington Park. Early last year Citation lowed that mark to 1:33 3/5.

Fain Threatens Robinson's Lead In All-Star Poll

CHICAGO, (AP)—Ferris Fain of the Philadelphia Athletics is catching up with Eddie Robinson of the Chicago White Sox in the American league first base voting in the All-Star baseball poll.

Robinson, leader since the start of the contest, is only 3,481 votes ahead of Fain in the latest tabulation. Robinson has 254,782 and Fain 251,301.

The poll started June 10 and will end at midnight next Friday. The winners in the American and National leagues will play in the 18th All-Star game at Detroit July 10.

The leaders maintained their positions in the individual vote getting. Stan Musial, St. Louis Cardinals, is first with 271,848; Nelson Fox, Chicago White Sox, is second with 266,147; and Ted Williams, Boston Red Sox, is third with 262,516.

Williams Bunts! Chisox Lose

By the Associated Press

So Ted Williams is no team player. Don't try to sell that to the Chicago White Sox.

Williams was a one-man gang at Fenway park last night as the Red Sox clipped the fleet Chicago lads, 6-5. Vern Stephens' game-winning homer with a man on stole the headlines but Williams put on a brilliant all-around exhibition—fielding, throwing and hitting.

Ted Williams

Ted actually starred in the field. Honest. He raced to the scoreboard in left to make a sensational leaping stab of Chico Carrasquel's fly to save the game in the eighth. Chicago had knocked out Mel Parnell, scoring two runs and had men on second and third when Williams ended the threat.

In the fifth inning Ted's fine peg to Bobby Doerr cut down overambitious Joe De Maestri trying to stretch a single into a double.

Remember when Williams never hit to left? When he used to dig in at the plate and try to pull every pitch to right? No more.

Williams Bunts!

Chicago led 3-1 when Williams came up with one out in the third. He bunted—that's right—bunted slowly down the unprotected third base line. A pass to Doerr and single by Clyde Vollmer and Les Moss tied the score.

It was still 3-3 when Williams came up with two out and Billy Goodman on second in the fourth inning. Once more he crossed up the boys with a double off the left field scoreboard to break the tie. Stephens then smashed his 10th homer over the left field wall.

Parnell, tagged for three runs in the third on singles by Bob Dillinger and Nelly Fox and Orestes Minoso's homer, was chased in the eighth. Ellis Kinder's 'no-hit relief work and Williams' catch saved Parnell's eighth win and a lifetime 17-3 record against Chicago.

Gumpert Takes Loss

Randy Gumpert, with a 7-0 record as a starter and relief ace, took the loss. Luis Alomo and Marv Rotblatt followed with effective shutout jobs.

With Allie Reynolds throwing his second straight shutout, a six-single 6-0 job against Cleveland, the New York Yankees clipped Chicago's American league lead to 2½ games—the same margin they left home with two weeks ago.

Bobby Feler just didn't have it in his try for a seventh straight and 11th victory. The Yanks combed him for eight of their 10 hits in seven innings. Jerry Coleman drove home half the Yank runs with two singles and Gene Woodlin gand Bobby Brown each contributed three hits. Yogi Berra's 11th homer came off feller in the three-run second.

Harris in Hospital

Bucky Harris was rushed to a Washington hospital or observation while his Senators were losing to Detroit 7-3. Fred Sanord, the ex-Yank who threw a flashy three-hitter in his first Washington start, was knocked out by the Tigers in a six-run first inning. Ted Gray needed help from Hal White in the eighth to nail down his third win.

Gus Zernial poled two home runs off Al Widmar as Philadelphia nudged St. Louis a little deeper into the cellar with a 5-2 win behind Alex Kellner.

Bums in Marathon

Brooklyn and Pittsburgh struggled through lighting trouble and showers in a damp marathon that finally ended at 12:55 a.m. (EST) this morning. They were two hours late starting because of light trouble and delayed another 36 minutes by rain. At last it was written into the records as another Broklyn win, 8-4, preserving their 6½ game lead on New York. Clyde King was the winner on relief over Ted Wilks.

Rookie Willie Mays gave New York Giant fans a shot in the arm with a three-run homer in the 10th to whip Chicago, 9-6.

Jethroe Comes Through

Sam Jethroe, restored to center field when Tommy Holmes took over as Boston manager, came through with a two-run double with two out in the ninth for the Braves' 8-7 win over St. Louis.

Cincinnati ripped into Jocko Thompson for three in the first inning and made it stand up for a 3-2 edge over the Phillies to move into fourth place.

Senate Leaders Predict 'Softening' of New Tax Bill

Renew Liquor Permits in Lee Taverns

All beer and liquor licenses in Lee county were renewed Friday by the county liquor commission.

At its annual meeting the commission renewed seven class A liquor licenses, two for clubs and four for beer only. Charles Kuebel, Sublette, chairman of the county board of supervisors, is also chairman of the liquor commission.

Wife of Famed Conductor Dies

MILAN, Italy, (AP)—The death of Carla Toscanini, 75, wife of Maestro Arturo Toscanini, was announced today by the Italian radio.

She had been ill here for a long time. Her husband and her son, Walter, were at her bedside.

Mrs. Toscanini, who had a heart ailment, recently was given the Catholic church's last rites.

Her husband, the great conductor, arrived in Milan last April 6 to be with her. Her son Walter arrived this month.

She and Toscanini were married in 1897 at Congeliano Veneto, in northern Italy. Toscanini then was 30 years old, already well known in the music world.

MARKETS

Chicago Livestock

(By the Associated Press)

Salable hogs 500, total 2,000 (estimated); compared week ago: butcher under 230 lb. mostly 25-40 higher; heavier weights steady to 50 lower; sows 25-50 lower. Prices reached the highest levels since February but settled off at the week end. Week's top 23.85, closing top 23.75. Most 180-230 lb. weights closed at 23.25-23.65; 240-280 lbs. at 22.00-23.00; 290-330 lbs. at 20.75-21.75 and 425 lb. butchers 19.25. Sows 450 lbs. and less closed at 18.75-20.50. Few 20.75, with 450-600 lbs. mainly 18.00-19.00.

Salable cattle 100 (estimated); total not given; compared week ago: receipts 20 per cent larger than last week but 10 percent under the same week a year ago; fed steers and yearlings predominated, killing quality largely high good to prime; slaughter steers and heifers mostly 50 lower; cows and bulls unevenly weak to 1.00 lower, most decline on utility cows; vealers 50 to mostly 1.00 higher; stockers and feeders firm; modest supply prime fed steers 38.25-38.50 but only two loads sold above 38.35, bulk high choice and prime fed steers and yearlings 36.25-38.00, extremes in weight being 900 lbs. and 1450 lbs., bulk good and choice steers and yearlings 32.00-36.00, utility to low good kinds 27.00-31.75, load 865 lb. commercial grass steers to 30.50; few loads prime heifers 36.50-38.35, bulk good to low prime fed heifers 32.00-36.40, utility and commercial kinds 25.00 - 31.00; commercial cows 27.75-31.00; most utility cows late 22.75-25.50, week's bulk canners and cutters 19.00-23.00, few strong weight Holstein cutters to 24.00; utility to good bulls 26.50-31.00; prime vealers 40.00, bulk high commercial to choice vealers 38.00-39.50, most cull to commercial kinds 28.00-37.00; good to choice 400-550 lb. steer calves and light stock steers 34.00-38.50, choice quality partly fattened 945 lb. feeding steers 35.25, medium 800 lb. "green" steers 32.15.

Salable sheep 100 (estimated); total not given; compared week ago: native spring lambs got keen small local killer competition and closed 1.00-1.50 higher; old crop shorn lambs and yearlings 50 higher; sheep steady to weak; practical top choice and prime springers 34.50; odd head 35.00 and better to city butchers but big packers continued to bid below 34.00; bulk good to prime springers 33.00-34.50; good to prime No. 1 skin shorn lambs topped at 32.50; yearlings 31.50; bulk mixed shorn lambs and yearlings 9.50-32.00; bulk good to choice mixed weight slaughter ewes 6.50-17.50; top 17.75; heavy fat we cossignments 16.00-16.50; cull wes mostly 15.00.

Unofficial estimated livestock receipts for Monday: hogs 12,000; cattle 11,000; sheep 1,000.

Expect Soviet Peace Plan in Malik's Speech

UNITED NATIONS, N. Y., (AP)—Russia's Jacob A. Malik is expected today to blast American policies in Korea and offer a peace plan already rejected by the United Nations. The Soviet delegate will be heard in a recorded speech to be broadcast over the radio.

The Soviet deputy foreign minister, president of the security council this month, is scheduled to be heard over the Columbia Broadcasting System in the New York area at 4:15 (CDT) today and in the remainder of the U. S. over CBS an hour later.

His declaration has been recorded in Russian by the United Nations and forms a part of a series of talks by U. N. delegates on "The Price of Peace." The U. N. will send recordings of it for broadcast around the world, as it did with other talks in the series.

Promoted

WACO, Tex.—John L. Blum, son of Mr. and Mrs. Carl J. Blum, Dixon, has been promoted to sergeant, headquarters flying training air force announces.

Sgt. Blum was transferred here from Air Training command headquarters at Scott air force base, when FTAF was organized in Waco May 1.

He is a clerk in the statistical services division of FTAF.

Marriage Licenses

Marriage licenses were issued Friday by County Clerk Sterling D. Schrock to Clarence William Heibenthal Jr., 22, and Miss Orva June Buter, 17, both Ashton; Ernest J. Atkinson, 22, and Miss Anita M. Hopkins, 21, both Dixon, and Edwin H. Pierce, 23, Rochelle, and Miss Crescence E. Studeble 18, Ashton.

Draft 9 June 26

Nine Lee county men will be inducted into the army on June 26, local Selective Service board announced today.

40 and 8 Stag

A public stag will be held July 15 at the Sportsman's park, Grand Detour, by the Lee county voiture of the 40 and 8, it was announced today. The voiture sponsors this public event annually.

OBITUARIES

MRS. EMMA J. BUTLER

ROCHELLE—Mrs. Emma J. Butler died of a heart attack Friday while a passenger in a car driven by her son, Merle.

She was born March 26, 1893, in Reynolds township. She was married to Boyd Butler Dec. 11, 1913. In 1947 she moved from Ashton to Rochelle.

Survivors include three sons, Merle and Bunnell, Rochelle, Allen, an air force private; two daughters, Mrs. Lorea Engekes, Rochelle, and Mrs. Arlene Anglemier, Champaign.

Services will be 2:30 p.m. Sunday at the Evangelical church, Ashton.

BENJAMIN F. DUFFEY

POLO — Funeral services for Benjamin F. Duffey will be held Sunday at 2:30 p.m. from the Melvin funeral home, the Rev. K. E. Irvin officiating. Burial will be in S. Elkhorn cemetery.

Friends may call tonight at the funeral home.

CUBS TO MEET

Cub Pack 324 will meet at 7:30 p. m. Tuesday at Loveland Community House to discuss the Cub-Dad weekend. The Pack committee will meet at 7 o'clock.

Brief Notes From Walton

WALTON—Mary Lou Bishop, Aurora, is spending a few weeks with her grandmother, Mrs. Gertrude Carrington.

Mrs. John J. Morrissey and son, Gene, were callers in Amboy this week.

Attend Wedding

Mr. and Mrs. Joseph Burke and family, Maytown, and Mrs. Patrick Lally, West Brooklyn spent Wednesday morning in Walton and attended the Dempsey-Finn wedding.

Walton Visitors

Miss Julie Morrissey is visiting in Aurora at the John Schuler home.

Mr. and Mrs. Charles Bishop and family spent the weekend at the Gertrude Carrington home.

Dixon Shoppers

Miss Josephine and Miss Elizabeth Halligan were Dixon shoppers last week.

Mr. and Mrs. Marvin Oester were shoppers in Dixon last week.

Walton Callers

Mr. and Mrs. John J. Blackburn were callers in Dixon last week at the home of Mr. and Mrs. Cecil Kellen.

Mr. and Mrs. Glade Lower and daughter, Walnut, spent the weekend at the Edward Morrissey and Leo Bushman homes.

Wedding Dinner

Mr. and Mrs. Lawrence Dempsey, Harmon, entertained at dinner Tuesday evening for the bridal party for the Dempsey-Finn wedding. A chicken dinner was served the 10 guests.

From Dixon

Mrs. Charles Gillan and daughter, Patricia, Dixon, were callers in Walton Tuesday.

Wedding Guests

Miss Millie Moore and Rosemary Blackburn, Dixon were among those who attended the Dempsey-Finn wedding in Walton Wednesday.

South Dakota Wedding

John Shannon, former resident of Walton, and Kathleen Miller, Edgemont, S.D., were married June 9. Mr. and Mrs. Richard Stephenitch, Mendota, and Mr. and Mrs. Louis Shannon attended the wedding.

Walton Notes

Miss Joan Morrissey, Evanston, and her mother, Mrs. Edward C. Morrissey were callers Monday on Anna J. McCoy.

Mrs. William Oester and Mrs. Besides the father and the boy who was injured there were two other Kyker children in the car, Patrick, 1, and Regina, 5. The child sustained a possible concussion, bruises and abrasions. Kyker was driving north toward Polo on a shopping tour at the time of the accident.

Polo Child Hurt When He Falls From Family Car

POLO —A two-year-old Polo farm child was reported in "good" condition today at KSB hospital after he fell head first from a moving car Friday morning.

Michael Kyker, son of Mr. and Mrs. Winford Kyker, Rt. 3, Polo, plunged into the middle of the Lowell park blacktop road five miles southeast of Polo and into the path of another car.

However the second auto was traveling slowly and the driver managed to pull off onto the shoulder without striking the child. Kyker said he was driving about 30 miles an hour when his son fell out the left rear door of the car.

Edward Ackert spent Wednesday in Maytown.

Mrs. Louise Bushman, Amboy, spent the weekend with relatives in this vicinity.

Mrs. Nellie McCoy, Amboy, spent last week at the William

From the PRESS BOX At Camp Ralston

Friday morning found many sleepy little girls trying to arouse themselves from a few hours of sleep. A whisper here and a whisper there and then gradually getting louder and louder until everyone in Harvey hall was wide awake. What a night! There were a few night owls here and there among the Scouts, so its almost midnight before all were sound asleep. Shirley Spotts gets the gold star for being the first one asleep with Louise Tavennar running a close second. But the 12 girls had counselors in the three tents near Harvey hall are way down the list, namely LaVerne Rorer, Cece Jones and Pat Pieschel. These girls decided on a party after all were tucked in and invited Mary Dixon, Betty Fane, Pat Pieschel, Julia Ortgiesen and Barb Buckley. Pop and candy bars were served (think it must have been giggle soup) and then talk, talk, talk. This little get-to-gether will long remain in their memories as a pleasant one.

* * * *

The same group of girls were awakened at an early hour by some of the other girls in tents, Vedeen Smothers, Nancy Gardner, Jan Nelson, Susie Hall, Nancy Drew and Donna Helfrich. And did they get heck? I'll say. LaVerne Rorer threatened them with washing all the breakfast dishes if they didn't go back to sleep. Things really quited down. Mary Dixon and Betty Fane and Mrs. Knelson watched over Harvey hall. Marva Bivens, Sue Gardner and Kathleen Rock camped in the dining hall (bet they made coffee at a late hour). Director Luedtke was a Pioneer assisted by Mary Lou Loftus, Roberta Harkins and Pat Schauf. Bonnie Schuler wasn't rating so well this morning when she awakened five tired girls at 6:45 in Pioneer.

* * * *

Time for breakfast. Due to the bad weather French toast was made in the kitchen instead of on the tin can stoves, along with bacon and orange juice (second, third and fourth helpings too). The food was served in Harvey hall and at Pioneer. A nice patch of ripe strawberries was discovered this morning and some of the girls enjoyed them for breakfast.

* * * *

Helen Reed was on hand all day. She does the nicest things, and deserves much credit in this camping project. Let's give her a great big Thank You.

* * * *

Now for clean-up time. All bed rolls and sleeping bags were folded and piled neatly on the tables. In a short while everything was in order at Harvey hall, even the dishes were washed. Time for horseback riding and a nature hike. And what a lovely cool breezy morning for both. An ideal camper's day. Betty Fane also took a group of girls down to the creek to play in the sand. She sealed her own doom however, "cuz" Amy Jones and a few others decided to build her tombstone! (Amy Jones has certainly kept things pepped up this week). The Oak Trees spent time at archery.

* * * *

Rain Thursday prevented the Scouts from preparing bean holes, so the menu was prepared at the dining hall. Jack Keagan had demonstrated on Wednesday how these should be made. Mr. Keagan was out this morning bright and early and did the Wipporwills and Sakajewa perk up. Some of them rode back to Pioneer in a classy station wagon. Mr. Keagan taught the Scouts how to bake biscuits when camping. (If this was a sample of his culinary art the Whipporwills and Sakajewas would like to taste his roast duck). All in all, a great week of camping, rain or shine. The girls wanted to show their appreciation in some way for Director Luedtke's efforts in making the day camp a success so they decided on a corsage made of the wild flowers that are in abundance at camp. It was presented to her by Jerry Coffy.

* * * *

Pat Jenkins celebrated her 14th birthday today. The Oak Tree girls made a cake of marshmallows and sang "Happy Birthday".

The flag ceremony was carried out by Lorraine Lourdeau, Helen Ortgiesen, Janet Michael, Joan McAndrews, and Sue Etnyre. It was with regret that the lowering of the flag brought the last day of camp to an end.

* * * *

All lost articles were being claimed and in a hurry at the lost and found in the dining room —Jane Pires seemed to have lost everything. The girls were rushing around gathering all their supplies trying to be on time for the buses. Some were so loaded down with blankets and sleeping bags and sacks they could hardly make the steps. Now for a last farewell to the camp, thanks to everyone, director staff, leaders, and helpers—YOU made it a success. These girls are proud to be a DIXON Scout. Bye now, see you next year.

Donald Cotter Now Sergeant In Puerto Rico

CAMP TORTUGUERO, Puerto Rico—Cpl. Donald E. Cotter, 20, son of Mrs. Mary Hackbarth, Rt. 1, Sterling, has recently been promoted to the rank of sergeant in the Army.

Sgt. Cotter is assigned as an English instructor at the recruit training center here. The RTC at Camp Tortuguero is the largest training center in the Caribbean area, and provides basic infantry training for thousands of young Puerto Rican soldiers.

Following his attendance at Sterling Township High School, Sgt. Cotter enlisted in the army in March, 1948. He was sent to Ft. Knox, Ky., for his basic training and then was assigned to the 33rd Infantry regiment at Fort Kobbe, Panama Canal Zone.

Sergeant Cotter arrived in Puerto Rico in November.

House-Passed Measure Will Be Cut, Word

Republicans Plan To Trim Spending In Federal Agencies

WASHINGTON—(AP)—Senate leaders said today they hope to soften the impact of a whopping $7,200,000,000 tax boost approved yesterday by the house. But they were cautious about predicting any sizeable cuts.

The tax bill, largest single revenue measure ever laid before congress, would:

1. Add 12½ per cent to the income taxes of individuals, to raise an additional $2,847,000,000 a year.

2. Place an additional $1,252,000,000 in excise taxes on gasoline, automobiles, cigarets, liquor, beer and other items.

3. Add $2,855,000,000 a year to corporation income and excess profits taxes.

4. Raise $245,000,000 a year through a variety of changes in the tax law structure.

Senator George (D-Ga), chairman of the senate finance committee, said he thought the bill may be unduly harsh in its present form especially to unmarried income tax payers who contribute to the support of relatives but are not permitted to claim dependency deductions in figuring their taxes.

Predicts Pruning

Final size of the bill, George said, will depend on the extent to which congress uses a pruning knife on multi-billion dollar appropriation bills in the next several weeks.

He said congress "ought to cut the spending by at least $6,000,000,000," but he was not optimistic that any such reduction would be made.

However, George said, "If we can do that we can get by with a $5,000,000,000 tax increase instead of the figure proposed in the house bill."

He expressed doubt that the senate will agree to make the individual income tax increases effective "before about Oct. 1," a month later than the house proposed.

End to End

Senator Millikin of Colorado, ranking Republican on the committee, told a reporter "You can be sure the committee will ransack the bill from end to end, and that when we get through it will be geared to government spending and what the economy can stand. It may be somewhat less than the house totals.

The cigaret tax would rise from seven cents a package to eight cents; the tax on automobiles from seven per cent of the manufacturer's price to 10 per cent; on whisky and other hard liquor from $9 a 100-proof gallon to $10.95; beer from $8 to $9 a barrel; gasoline from 1½ cents a gallon to 2 cents.

Corporation tax boosts would work this way:

On the first $25,000 of income, the levy would rise from 25 per cent to 30 per cent. On income exceeding $25,000, the combined normal and surtax rate would go up from 47 per cent to 52 per cent. The effective maximum rate of the excess profits tax would be lifted from 77 per cent to 82 per cent.

More Profits Tax

The bill also would subject a bigger percentage of some firms' earnings to the excess profits tax, by lowering their exemption credits from the existing 85 per cent level to 75 per cent of average 1946-1949 earnings.

The government could take up to 70 per cent, instead of the present 62 per cent, of a company's earnings in combined normal taxes, sur-taxes and excess profits taxes.

The house proposed that the changes in corporation taxes be made retroactive to Jan. 1, 1951.

The house bill would exempt baby oils, powder and lotions from excise levies, repeal the federal tax on electrical energy, and cut the federal tax on telegrams from 25 per cent to 20 per cent.

Tax on Gamblers

The measure calls for a 10 per cent tax on the "take" of bookmakers, numbers and lottery operators, and a $50 a year occupational tax from professional gamblers and their agents or runners. Heavy penalties are provided for evasions.

The bill would lift the effective maximum rate of the capital gains tax from 25 per cent to 28½ per cent, but home owners would not have to pay the tax on any profit from the sale of their residences if they reinvested the profit in another home within a year.

The "single" taxpayer with family responsibilities, such as a widow with dependent children would be allowed one-half of the income tax benefits available to married couples through income-splitting.

In a move to plug a revenue leak, the measure would provide for withholding at the source of 20 per cent of all dividend and royalty payments, and some interest payments. The amount withheld would be applied against the payee's income tax.

Here Are Some Known Facts About Infantile Paralysis

By FRANK CAREY
Associated Press Science Reporter

WASHINGTON, (AP) — The question of which polio treatment is best is a tough one—but so are the questions surrounding the mysterious polio bug itself.

It has never been seen, even by the most powerful microscopes. There is only indirect evidence as to its size. It's estimated that 25,000 germs could fit on the head of a pin.

The risk of a severe polio attack lessens sharply after a child passes age 10. Beyond the age of 20 there is only about one case in every 100,000 population even during extensive outbreaks.

Rarely Attacked

Adults rarely suffer a severe or recognizeable attack, scientists say, because the vast majority of people are believed to have had polio in a mild form and thus gained a practical immunity to it without ever being aware of it.

It's virtually certain that the disease is transmitted by "human contact." But it is still unknown whether the contact is always direct. Flies and other insects have been suspected as possible transmitters of the virus, but no insect has been definitely incriminated.

It is not entirely settled as to how the virus enters the body, although the strongest evidence points to the mouth and nose.

No Known Drugs

No known drug—not even any of the so-called "wonder drugs" like penicillin—can directly attack the virus itself.

For lack of chemical or other weapons to fight the virus directly, doctors generally attack what they term the "symptoms" rather than the disease itself.

Disciples of the Kenny concept of polio believe, however, that treatments primarily designed to combat effects of the virus may also have some effect on fighting the virus itself.

Sister Elizabeth Kenny contends that the virus can directly attack muscles and other parts of the body. The general medical concept is that the virus attacks only the central nervous system and that muscular effects are secondary.

Here Are Precautions

What can you do if the disease should strike your community?

1. Avoid becoming panicky.

2. Observe the precautions you would observe against any communicable disease.

3. Avoid over-fatigue.

4. Observe personal cleanliness.

5. Avoid sudden chilling.

6. If possible avoid tonsils and adenoids operations during an epidemic.

7. Watch your children for symptoms of headache, moderate fever, stiff neck, muscle weakness and listlessness.

MAKE YOUR OIL GO TWICE AS FAR!

REPLACE YOUR OLD BURNER NOW with the oil-saving Winkler LP* . . . a sensational new oil burner development.

FREE HEATING SURVEY

SEE THESE AMAZING PROOFS

Seeing is believing: Come in today and watch the Winkler LP* burn—

1. Crankcase drainings
2. Mixed oil and water
3. Hard-cracked oils

Do you know that you may be wasting as much as 50% of your fuel oil? The chances are; if you live in the average size home; that your oil burner is oversized to prevent nozzle-clogging. This means that heat is wasted up the chimney—oil burned needlessly.

The low pressure Winkler LP* Oil Burner prevents this extravagant waste of precious fuel because it can be sized exactly to the heat-absorbing capacity of your boiler or furnace. It will save up to 50% of your present fuel consumption.

The Winkler LP* saves amazingly on service, too—its design is utterly simple and dependable.

Dixon-Brooklyn Game Tops Sunday Slate

HUGH'S VIEWS of SPORTS

BY HUGH HOUGH

George Covert, Dixon's Mr. Tennis, thinks Al Newcomer may some day be the best tennis player Dixon has produced.

THAT'S A BIG ORDER for the slim Dixon high school player who still has another year of prep eligibility, but Covert thinks he's up to it.

"If he can go to college and keep working on his game he could be the best," Covert said recently. "He already hits the ball squarer than I did at his age."

NEWCOMER FINISHED second in the North Central conference singles competition this spring. Only Floyd Acker, Dixon's four-year veteran, could stop Newcomer in this meet, finally winning, 6-3, 6-2.

Last Sunday, Newcomer entered his first competition with the Dixon Beier's team in the match at Rochelle and came away with an impressive 6-1, 6-2 victory over Fred Morris in the singles before pairing up with Dave Livingston to win a hard-fought doubles assignment from Rochelle's Dick Sherwood and Bill Posorske, 1-6, 6-3, 6-4.

* * * *

COVERT STILL is plugging hard for some more tennis courts for Dixon. There is no doubt that they are needed badly. Only a well planned program and some admirable sportsmanship on the part of the players has prevented bloodshed in the rush for the seldom open courts.

Mr. Covert, the man who has done more to build Dixon's tennis program than any other individual, isn't sure how the new courts can be obtained, but he has ideas on the subject.

OBVIOUSLY, THE Park Board is pretty well strapped for money with the swimming pool still on the debit side of the ledger. But there are other organizations in Dixon that may provide some help— at least Covert hopes so.

* * * *

It was almost buried in the weekend rush, but let's get in a word here about the annual Blackhawk District handicap golf tourney which will be held tomorrow in Mendota. Each club sends six players to this event. For local golfers it's sort of a warmup affair for the popular Lincoln Highway tourney next month.

* * *

ACCORDING TO Vern Higgins, the St. Louis Cardinals' scout in Northern Illinois, the Cards may shift their tryout camp from Joliet to Dixon next year in an attempt to attract more of the players in the Northern Illinois area.

* * * *

The Mt. Morris golfers who drubbed Dixon Country club, 39 to 9, last Sunday, will travel to Dixon July 1 to try their luck with another Dixon team when they meet the Pium Hollow swingers in an inter-club match.

* * * *

ARMAND RIOPELLE reports that the baseball game between the Blackhawwk AC and Reynolds Wire scheduled for Dixon on July 1 may be played in Rockford instead, with the Blackhawks returning later in the season. Because of rain and other reasons, the Blackhawks have not played a league game in Rockford as yet.

And speaking of Riopelle, why not watch a good baseball game between the Brooklyn Royal Giants and Rip's Reynolds Wire team tomorrow, and at the same time say goodby to the Dixon manager who leaves for Air Force duty next week?

Cardinal Players Of '26 Assemble

ST. LOUIS, (AP)—Fifteen of the surviving 20 members of the Cardinals of 1926, first St. Louis team to win a pennant and world series, assembled today for a reunion marking the 25th anniversary of their triumph.

Cardinal owner Fred Saigh was host at luncheon for them.

Tomorrow the oldtimers will be introduced to fans at the Cardinal-Boston game here.

Attending are pitchers Jess Haines, Flint Rhem, Bill Hallahan, Syvester Johnson and Bill Sherdel; catchers Bob O'Farrell and Ernie Wick; infielders Jim Bottomley, Jake Flowers, Tommy Thevenow and Lester Bell; outfielders Ray Blades, Chick Hafey and Taylor Douthit, and Coach Bill Killefer. Blades now is Cardinal coach.

Also on hand will be Branch Rickey, the vice president of the club; Bill DeWitt, who was treasurer, and Clarence Lloyd, 1926 traveling secretary.

SADDLER WINS AGAIN

SANTIAS, Chile, (AP)—World featherweight champion, Sandy Saddler, of New York, chalked up another triumph last night on his South America tour. He knocked out Mario Salinas, lightweight champion of Chile, in the fifth round of a non-title bout. Saddler weighed 131, Salinas 138.

DIXON EVENING TELEGRAPH

Dixon, Illinois, Saturday, June 23, 1951 — Page Seven

Dixon Tennis Team to Play At Sterling

With a lop-sided victory over Rochelle marked up, members of the Dixon Beier's tennis team will travel to Sterling Sunday looking for their second league victory.

According to George Covert, team manager, Dixon will be experimenting with some of the younger candidates in Sunday's match.

Two of the Dixon mainstays, Lew Behrens and Bob Wiggins, are not expected to make the Sterling trip.

Last week, Dixon romped to an 8½ to ½ victory over Rochelle in its first tennis competition of the season. It was a surprisingly strong showing by a team that lost some of its balance when reliable players from 1950 were not available this season.

Meanwhile, Covert today took winners and runnersup in the Lions club meet to Rockford today to play against a team of similar players from that city.

Those eligible to play from Dixon follow:

BOYS' MATCHES
SINGLES—First, Henry Utley; second, Benny Sage.
DOUBLES—First, Steve Lindell and Sage; second, Utley and Billy Boos.

GIRLS' MATCHES
SINGLES—First, Jean Buckley; second, Geraldine Adams.
DOUBLES—First, Jean and Barbara Buckley; second, Adams and Mary Gower.

JUNIOR MEN'S MATCHES
SINGLES—First, Al Newcomer; second, Dick Joslyn.
DOUBLES—First, Newcomer and John Kurzrock; second, Joslyn and Jim Boedecker.

JUNIOR WOMEN'S MATCHES
SINGLES—First, Mary Gibson; second, Jean Buckley.
DOUBLES—First, Gibson and Nancy Long; second, Jean and Barbara Buckley.

FLYING CHI—Run, run and then run some more is the theme of the high-flying White Sox. Here Chico Carrasquel comes roaring home, in bouncing style, skidding across the plate ahead of the throw in the series at Yankee Stadium. The catcher is Yogi Berra, the umpire Bill Summers. (NEA)

Rogovin Pitched First Pro Game as Publicity Stunt

NASHVILLE, Tenn.—(AP) — Saul Rogovin, who beat the New York Yankees on a four-hitter Thursday, tossed a four-hitter in his first mound effort as part of a publicity stunt.

The four-hitter wasn't part of the stunt, but the Mound stint was.

Sports Editor Raymond Johnson of the Nashville Tennessean told the story today:

Rogovin was a third baseman with the Chattanooga Lookouts in the Southern Association in 1945. He played 122 games at third, hitting .280 for the season.

One day Joe Engel, president of the Lookouts, in an effort to get more fans out to his stadium, announced that Rogovin would play third base in one game against Birmingham and pitch the other.

Rogovin hurled his four-hit shutout in the seven-inning second game. That is what gave Saul, now one of the White Sox' mainstays, the idea he should switch to pitching.

Haefner, and Palmer Hold Inverness Lead

TOLEDO, O.—(AP)—The 14th Inverness best-ball matches with their razzle-dazzle scoring system, are proving again that the low scorers don't always win golf tournaments.

At the end of three rounds in the seven-match best-ball fray between eight pairs of top-flight professionals, the leaders with a plus 9 count are those canny North Carolinians, husky Clayton Haefner of Charlotte and Johnny Palmer of Badin.

No one is disputing their claim to the top spot, since they've scored 28 birdies and are 28 under par for three rounds. They've scored 62, 62 and 61 over the par 71 Inverness layout in three tries.

But after that, things are a bit jumbled, if you compared scoring ability with the point totals in the race for the $4,000 top prize of the 15,000 jackpot.

As the teams wheeled into today's two rounds, the standings were:

Haefner-Palmer plus 9, Ransom-Devicenzo plus 7, Demaret-Burke plus 3, Snead-Ferrier minus 1, Harrison-Furgol mius 3, Mangrum-Middlecoff minus 3, Fred Haas-Porky Oliver minus 6, and Al Brosch-Pete Cooper minus 6.

Chicago Cards May Take Action in Contract Dispute

CHICAGO, (AP)—The Chicago football Cardinals today were deciding whether to take action against the Calgary Stampeders of the Western Canada Football conference for signing end Bob Shaw as a playing coach.

Shaw arrived in Calgary Thursday night and said he would be a line coach and playing end for the Stampeders.

Ray Bennigsen, Cardinals president, said Shaw signed a 1951 contract with the Cardinals June 12. Bennigsen said he would discuss the matter with the club's attorney to determine whether to take action.

Bennigsen said he was "shocked" because "Shaw telephoned me June 9, then came here at our expense June 12 and spent three and a half hours with me, and then signed a contract."

Bennigsen pointed out that as long as Shaw remained in Canada, it would be impossible to take legal action against him. But he said he believed the club could act against the Calgary team. This presumably would be a restraining order preventing Calgary from using Shaw.

Patty Berg to Face Unknown In Western

PHILADELPHIA, (AP) — Red-haired Patty Berg, a cool, calculating professional, and young Pat O'Sullivan, a long hitting amateur, meet today in the 36-hole final round of the Women's Western Open golf championship.

For Patty of Minneapolis, this Western final is old stuff. The chunky lady pro has won the tournament three times. However, it's a brand new experience for the smiling Irish girl from Orange, Conn.

She battled her way into the title round with a surprising 4 and 2 victory over the veteran little Southern pro, Louise Suggs.

The manner in which Miss O'Sullivan climaxed her match with Miss Suggs had drama written all over it. She drove an iron to the 145 yard 16th green and putted to within a foot of the cup. Her ball stymied Miss Suggs who was eight feet from the cup in three. The little Georgian conceded in dismay.

Miss Berg didn't play her best golf in eliminating plucky Marjorie Lindsay, Decatur, Ill., amateur, 5 and 3. In fact, the usually steady Minneapolis golfer, started off as if it wasn't going to be her day.

She lost the first two holes, and although she rallied to draw even at the end of nine, she didn't look like the same Patty who had ousted defending champion, Mrs. Babe Didrikson Zaharias in the second round.

Then it happened. Miss Berg won five of the next six holes that finished Miss Lindsay.

SWIM MARK SET

HONOLULU, (AP)—Ford Konno, Hawaii's sensational 18-year-old swimmer, last night bettered the American record for the long course 800-meter freestyle by 13.2 seconds. He was timed in 9:37.7 in the Keo Nakama swimming meet at Kaikiki natatorium.

Dixon VFW Raps Armory In City Loop

Doug's 222	0	4

FRIDAY'S RESULTS

Dixon VFW 12, Armory 2.
Ashton VFW 16, Ashton Hybrids 5.

Dixon VFW continued its undefeated march through Dixon City softball league play Friday night, drubbing Dixon Armory, 12 to 2, in a five-inning game

In the nightcap, Ashton VFW settled an inter-city rivalry in a one-sided manner, defeating Ashton Hybrids, 16 to 5.

Paul Van Oosten again pitched effectively for the Dixon Vets in the opener. Armory nicked him for only four hits. Two of these came in the first inning, however, and allowed an early run for Armory.

The league-leaders blasted 14 hits in the short contest. Red Sloan had three of these, including a double, and Van Oosten and Lou Carlson added home runs to the effort.

With four runs crossing the plate in each of the first two innings, Van Oosten had a comfortable lead to work with from the start.

Red Unger led the Ashton VFW asault against the Hybrids. He pounded out four hits in four times at bat and scored five runs, also drawing a walk during a busy evening.

Dark Horse Trio, Stranahan Meet in Western Finale

SOUTH BEND, Ind., (AP) — Three play-for-fun hopefuls who never have won a national title and a millionaire's son who has had enough time to win about all of them, are lodged today in the semi-finals of the Western Amateur golf tournament.

Toledo's heir to sparkplugs fortune, Frank Stranahan, set off in quest of his third Western crown against Bob Olson, an awed 23-year-old graduate from Michigan's golf team who finished third in the recent Big Ten links meet and was proud of it.

The other semi-final test sends John M. Hart, Jr., a 22-year-old former Purdue star from Indianapolis against teen-ager Jim Blair of Jefferson City, Mo., son of Missouri's lieutenant-governor.

Blair is a big, jolly 19-year-old lad who hits the ball out of the park and detoured regional universities to play for Oklahoma A. and M.

Seldom in the tournament's history have three such dark horses been corraled in the semi-finals.

Major League Leaders

BATTING (based on 150 times at bat)—Minoso, Chicago, .363; Fain, Philadelphia, .342.
HOME RUNS—Williams, Boston, 14; Robinson, Chicago and Zernial, Philadelphia, 13.
PITCHING (based on five decision)—Gumpert, Chicago, 7-1, .875; Lopat, New York and Feller, Cleveland, 10-2, .833; Dobson, Chicago, 5-1, .833.

NATIONAL LEAGUE
BATTING—Robinson, Brooklyn, .374; Musial, St. Louis, .364.
HOME RUNS—Hodges, Brooklyn, 21; Westlake, St. Luis, 17.
PITCHING—Roe, Brooklyn, 10-0, 1.000; Branca, Brooklyn, 5-1, .833.

HERE SUNDAY

CHARLEY KELLIS, cleanup hitter with the Brooklyn Royal Giants, also plays first base for this outstanding negro team which will meet Reynolds Wire here Sunday at 2:30 p. m.

Esquires Here In Evening Softball Play

Riopelle to Lead Wire 9 Last Time This Season Sunday

Dixon baseball and softball fans are in a full day of play here Sunday.

Highlighting the day's activities will be the baseball exhibition featuring the Brooklyn Royal Giants and Dixon's Reynolds Wire team at 2:30 p. m. on the Reynolds field baseball diamond.

Esquires Here

Sunday evening, at 9 p. m. to be exact, the Dixon VFW All-Stars softball team and its popular pitcher, Bullet Kirk, will meet the Esquires of Rockford, an outstanding colored softball team. A preliminary game will match Polo Central Stamping and Dixon Armory in a City league contest to start at 7:30 p. m.

A second baseball game here Sunday afternoon will match the Dixon Junior Legion team against the Oregon Legion nine. The game will be played on the Dixon State hospital diamond and will start at 2 p. m.

This will be the first game of the season for the local Legion team.

Brooklyn Tough

The afternoon baseball treat will give the high-flying Reynolds team a chance to look at some top-notch competition. The Brooklyn team, made up of outstanding Negro players, has been touring the United States for more than 30 years with consistent success.

Sunday will mark the final day at the helm of the Reynolds team for Mgr. Armand Riopelle—at least for the present. Riopelle must report to Eglin Field, Fla., for duty with the Air Corps on July 1.

For the game against Brooklyn Sunday, he has named John Maynard to pitch for the locals. The Royal Giants may call on any one of five pitchers.

Softball Rescheduled

The softball game between Dixon VFW and the Esquires was arranged this week after Mgr. Art Carlson learned that the Green Front tavern team of LaSalle, the team originally slated to play, had folded.

As usual, cars will be allowed to park around the outfield for the softball games.

Ogle Fair to Give $4,800 To Trotters

OREGON—Racing purses at the Ogle county fair, Sept. 1-2-3, will be $4,800, the fair board has announced. Harness races will be held each afternoon and shows every evening.

The first day of racing will include a 2:24 pace with a $500 purse and a 2:24 trot, $500 purse. Second day events are 2:16 pace, $700, free-for-all pace, $600, and 2:20 trot, $600. On the third day will be a 2:16 trot, $600, a free-for-all trot, $600, and a 2:20 pace, $600.

Entries for all events close August 25, and horses must be qualified by 11 a.m. the day before the race.

Night shows will include the White Horse Ranch on Saturday night, Boyle-Wolfolk vaudeville show Sunday night and the Wonder Bros. circus Monday night.

Two sows by the White Horse Ranch may be presented Saturday night depending on the size of the crowd. Most concession space is reported sold.

Rickey's Plan Fails as Kiner Moves to Outfield

PITTSBURGH, (AP)—Branch Rickey's first major experiment with the limping Pittsburgh Pirates fizzled out Friday when first baseman Ralph Kiner moves back to his familiar post in left field.

Kiner shifted to first base in spring training at the suggestion of Rickey, the new general manager who hoped to lift the Pirates from the doldrums of their 1950 last place.

The switch, one of several engineered by Rickey, hasn't helped the club. But it can't be blamed on Kiner, who has done right well considering the abuse he has had to take from Pittsburgh fans.

"They've (the fans) been riding him pretty hard," commented Mgr. Billy Meyer, "probably without realizing he (Kiner) has tried to do much to help our club."

What does Kiner think about returning to the green pastures? He says:

"We've got two good first basement in Jack Phillips and Rocky Nelson. I think the move will help the club both offensively and defensively."

Nelson, obtained from the St. Louis Cardinals, and Phillips will alternate at first base. Meyer will use Nelson against right handed pitching and Phillips against southpaw hurling.

Demon Hanover Turns in New Half-Mile Mark

WESTBURY, N. Y., (AP) — Demon Hanover today held a new world record—3:06 2/5 for a mile and a half over a half mile track.

In the process of setting the mark at Roosevelt Raceway, Demon Hanover captured the first division of the $20,000 David H. McConnell Memorial trot qualifying dash last night.

Driven by Curly Smart, Demon Hanover bettered the record hung up by Proximity in 1949 by one and one-fifth seconds.

Tryhussey won the second division in 3:09. The first five finishers in each division come back for the final next Friday.

FIGHTS

SANTIAGO, Chile—Sandy Saddler, 131, New York, knocked out Mario Salinas, 138, Santiago, 5 (non-title).
HOLLYWOOD, Calif.—Enrique Bolanos, 137½, Los Angeles, outpointed Eddie Chaves, 137½, San Jose, 12.

12 Nominated for Equipoise Mile

CHICAGO, (AP) — A dozen horses have been nominated for the $25,000 added Equipoise mile today at Arlington Park.

Hasty House farm's four horse entry is the favorite at 8-5. The four are Inseparable, Seaward, Roman Bath and Wine List. Cutty Hunk, owned by Howard Oots and J. C. Brady, and the Walmac Farm's Volcanic also are listed as an entry.

The other six candidates are Mrs. Ada L. Rice's Danada Gift, J. A. Kinard's Johns Joy, which equaled Arlington Park's six furlong record of 1:09 1/5 in the Myrtlewood handicap opening day; King Ranch's Curandero, Mrs. John P. Adams' Miche, Argentine bred; Eugene Constantin, Jr.'s Prop, and J. A. Chambers' Mister Morgan.

With 12 starters, the Equipoise will have a gross value of $28,750, with $19,735 to the winner.

The track record is 1:34 2/5, set by Equipoise in 1932. The stake mark is 1:35, shared by With Pleasure, Star Reward and Oil Capitol. Equipoise's time was a world record until 1949, when Coaltown dashed a mile in 1:34 at Washington Park. Early last year Citation lowed that mark to 1:33 3/5.

Fain Threatens Robinson's Lead In All-Star Poll

CHICAGO, (AP)—Ferris Fain of the Philadelphia Athletics is catching up with Eddie Robinson of the Chicago White Sox in the American league first base voting in the All-Star baseball poll.

Robinson, leader since the start of the contest, is only 3,481 votes ahead of Fain in the latest tabulation. Robinson has 254,782 and Fain 251,301.

The poll started June 10 and will end at midnight next Friday. The winners in the American and National leagues will play in the 18th All-Star game at Detroit July 10.

The leaders maintained their positions in the individual vote getting. Stan Musial, St. Louis Cardinals, is first with 271,848; Nelson Fox, Chicago White Sox, is second with 266,147; and Ted Williams, Boston Red Sox, is third with 262,516.

FRIDAY'S STARS

BATTING, WILLIE MAYS, GIANTS—Blasted 370-foot homer with two on in 10th inning for New York's 9-8 edge over Chicago.
PITCHING, ALLIE REYNOLDS, YANKEES—Pitched second straight shutout and Yanks' 10th to whip Cleveland, 6-0, scattering six singles.

Williams Bunts! Chisox Lose

By the Associated Press

So Ted Williams is no team player. Don't try to sell that to the Chicago White Sox.

Williams was a one-man gang at Fenway park last night as the Red Sox clipped the fleet Chicago lads, 6-5. Vern Stephens' game-winning homer with a man on stole the headlines but Williams put on a brilliant all-around exhibition—fielding, throwing and hitting.

Ted Williams

Ted actually starred in the field. Honest. He raced to the scoreboard in left to make a sensational leaping stab of Chico Carrasquel's fly to save the game in the eighth. Chicago had knocked out Mel Parnell, scoring two runs and had men on second and third when Williams ended the threat.

In the fifth inning Ted's fine peg to Bobby Doerr cut down over-ambitious Joe De Maestri trying to stretch a single into a double.

Remember when Williams never hit to left? When he used to dig in at the plate and try to pull every pitch to right? No more.

Williams Bunts!

Chicago led 3-1 when Williams came up with one out in the third. He bunted—that's right—bunted nicely down the unprotected third base line. A pass to Doerr and single by Clyde Vollmer and Les Moss tied the score.

It was still 3-3 when Williams came up with two out and Billy Goodman on second in the fourth inning. Once more he crossed up the boys with a double off the left field scoreboard to break the tie. Stephens then smashed his 10th homer over the left field wall.

Parnell, tagged for three runs in the third on singles by Bob Dillinger and Nelly Fox and Orestes Minoso's homer, was chased in the eighth. Ellis Kinder's no-hit relief work and Williams' catch saved Parnell's eighth win and a lifetime 17-3 record against Chicago.

Gumpert Takes Loss

Randy Gumpert, with a 7-0 record as a starter and relief ace, took the loss. Luis Alomo and Marv Rotblatt followed with effective shutout jobs.

With Allie Reynolds throwing his second straight shutout, a six-single 6-0 job against Cleveland, the New York Yankees clipped Chicago's American league lead to 2½ games—the same margin they left home with two weeks ago.

Bobby Feler just didn't have it in his try for a seventh straight and 11th victory. The Yanks combed him for eight of their 10 hits in seven innings. Jerry Coleman drove home half the Yank runs with two singles and Gene Woodlin gand Bobby Brown each contributed three hits. Yogi Berra's 11th homer came off feller in the three-run second.

Harris in Hospital

Bucky Harris was rushed to a Washington hospital or observation while his Senators were losing to Detroit 7-3. Fred Sanord, the ex-Yank who threw a flashy three-hitter in his first Washington start, was knocked out by the Tigers in a six-run first inning. Ted Gray needed help from Hal White in the eighth to nail down his third win.

Gus Zernial poled two home runs off Al Widmar as Philadelphia nudged St. Louis a little deeper into the cellar with a 5-2 win behind Alex Kellner.

Bums in Marathon

Brooklyn and Pittsburgh struggled through lighting trouble and showers in a damp marathon that finally ended at 12:55 a.m. (EST) this morning. They were two hours late starting because of light trouble and delayed another 36 minutes by rain. At last it was written into the records as another Broklyn win, 8-4, preserving their 6½ game lead on New York. Clyde King was the winner on relief over Ted Wilks.

Rookie Willie Mays gave New York Giant fans a shot in the arm with a three-run homer in the 10th to whip Chicago, 9-6.

Jethroe Comes Through

Sam Jethroe, restored to center field when Tommy Holmes took over as Boston manager, came through with a two-run double with two out in the ninth for the Braves' 8-7 win over St. Louis.

Cincinnati ripped into Jocko Thompson for three in the first inning and made it stand up for a 3-2 edge over the Phillies to move into fourth place.

THE SCOREBOARD

NATIONAL LEAGUE

	W	L	Pct.	GB
Brooklyn	39	20	.661	—
New York	35	29	.547	6½
St. Louis	31	30	.508	9

SPRING IN KOREA—The jeep has proven its versatility many times over, but it remained for GI's in Korea to find still another use for this many-purpose car by using it as a diving platform. During a welcome respite from fighting, Cpl. Andy Gaus, of Gladstone, Mich., takes a cooling swim in a shallow Korean stream.

Lynn Hanson, Rochelle, spent Sunday and Monday with her grandparents, Mr. and Mrs. Harry Andes.

Attend Wedding

Mr. and Mrs. Dalton Hough and Mr. and Mrs. Otis Hough attended the wedding of Gene Endthoff, Rochelle, and Betty Lou Hill, Creston, at the Methodist church in Rochelle Sunday.

Sunday Guests

Mr. and Mrs. L. C. Hemenway and Mr. and Mrs. Merwin Hemenway and family attended a Father's day dinner at the home of Mr. and Mrs. Lester Reany, Huntley.

Mr. and Mrs. Walter Gunderson and Ricky and Randy, Aurora, were dinner guests Sunday of his parents, Mr. and Mrs. A. G. Gunderson.

Steward Notes

Mrs. Alta Kirby called last Wednesday on Mrs. Nellie Sullivan, Rochelle.

Mr. and Mrs. A. C. Rapp and Robert, Joan Shearer and Mrs. Harold Olson and Sara, Minneapolis, and Mr. and Mrs. Harry Jones, Washington, D. C., were dinner guests Monday evening of Mr. and Mrs. Arnold Arne.

Mr. and Mrs. Antone Arne returned home Tuesday from a vacation in California.

Mr. and Mrs. Ralph Bates and Nancy were visitors in Rockford Saturday.

Mrs. Sanderson, Chicago, is spending a few days with her cousin, Mrs. Margaret Durin.

Brief Items

Mr. and Mrs. Will Ravnaas entertained Mr. and Mrs. Ralph Simmons, Monmouth; Mr. and Mrs. Wayne Kersten, Ashton, Mr. and Mrs. Murlin Totten and George, Scarboro, and Phyllis and Shirley Ravnaas Sunday evening.

Mr. and Mrs. William Aughenbaugh had as guests Father's day, Mr. and Mrs. Irwin Aughenbaugh and family, Mendota, Mr. and Mrs. Max Aughenbaugh and daughters, Wilmer Olson, Dixon, Mr. and Mrs. Max Lawrence and family, Rochelle, Mr. and Mrs. Wilbur Bauer and daughter and Joseph Bauer, West Brooklyn.

Mrs. Dalton Hough is quite ill at her home.

There's a good reason tea should be steeped for five minutes before serving; brewing for this length of time brings out the full flavor of the tea.

Ask Supporters Of 'McCarthyism' To State Stand

WASHINGTON—(AP) — The chairman of the Democratic national committee wants Republicans to stand up and be counted for or against "McCarthysm."

William M. Boyle challenged Republican leaders today in his weekly letter to Democratic party workers. He quoted from an editorial in the Washington Post denouncing Senator McMarthy (R-Wis.) for McCarthy's recent senate attack on Secretary of Defense Marshall. The Post demanded that GOP leaders "disavow McCarthyism — or be convicted of endorsing it."

"Hay-Poling"
Before the day of horse drawn hay racks, hay was carried to the barn by what was called "poling". Two long poles were slipped under a pile of hay and two men carried the load. Neighborly cooperation was necessary to get the job done in a reasonable length of time.
For many years we have been the means by which neighborly cooperation has helped other people. The money saved here by you and your friends has made home ownership possible for others. We loan these savings to credit-worthy families to buy or build homes, and they repay it in convenient monthly installments, like rent. Of course, they pay interest on the money borrowed, and that interest is credited to savings accounts as dividends.
